

CCHS Athletics Announcement

04 January 2021

In accordance with the Governor's Executive Order No. 70, effective immediately and remaining in effect through January 19, 2021, additional restrictions on who may attend interscholastic athletic practices and contests will be in place.

With the new Executive Order, the only attendees permitted at practices or games, in addition to the student-athletes on the team, are players' parents or guardians and immediate household members, coaching and team personnel, athletics officials, and media attending the event in their professional capacity.

Until this order is lifted, in accordance with TSSAA guidelines, attendance to games will be restricted to immediate family. In addition, season pass holders, who are not immediate family members, will not be able to attend games until the order is lifted.

TSSAA passes and TACA passes will only apply to immediate family members as well.

Masks will continue to be required for attendance, social distancing between families will be maintained, and temperatures will be checked at the door.

Our school athletes appreciate your continued support in these difficult times, and we encourage you to support our Eagles by viewing at home on our YouTube channel: [Streaming Eagle Media](#). We eagerly anticipate the days when we can return to full capacity and are incredibly grateful for your continued support of our athletes and our schools.
