

Student: _____

Charting Rapid Letter Recognition Progress

For each letter drill, color up the column, or write the date in the box, indicating the correct number of marked letters.
On repeat drills, add coloring to the column or the date only if your new score beats your previous best score.

Name: _____

Letter Recognition Speed Drills - Students use a highlighter or Bingo dauber, working from top to bottom and left to right, they say the target sound and hit as many of the target letters as they can between the time you say "go" and "stop." Staff scan page for incorrectly marked letters, X them, and count the number of correctly marked letters. Student's record their own score on a chart.
