

Weekly Message from North Canaan Elementary School

Friday, September 11, 2020

Click on the blue underlined links.

This year we will be sending the weekly message on Friday. Please look for it every Friday and take some time to review the contents.

I am so impressed with everyone's dedication to our safety requirements. Following these requirements will ensure we can keep the school open. The staff members are working very hard to accommodate the students at home and in school. We have learned much this week. Thank you for your patience as we all venture forward together. It has been a great week having the students back in the school building!

[NCES Family Check-In:](#) Every week we will send this Family Check-In form. We want to know how you are doing during these difficult times. It is a very quick form that we will use to help in any way that we can.

Summer Reading: Students have until Wednesday to turn any completed activities in to their teacher. The drawing for the baskets will be Wednesday!

[Asbestos Management Plan notification:](#) The blue link contains the updated information on our school's management plan for asbestos. This information is also posted on our website.

[Daily Home Screening for Students and Staff:](#) Students and staff need to complete this screening at home every school day and report symptoms to the nurse as described.

Friendly Reminder: We cannot allow students in the building prior to 8:20 am. For everyone's safety, please do not drop off students until you see a staff member on duty outside at 8:20. Thank you.

You can always reach me at aroy@nceschool.org or (860) 824-5149.

Stay Safe and Well,

Dr. Roy

Principal
