

SUMMER Message from North Canaan Elementary School

Friday, August 21, 2020

Click on the blue underlined links.

Hello, Families,

We are now compiling all of the information from the data collection forms to create our cohort groups. We expect next week to share with you the name of the teacher for your child. We are still waiting to hear back from a few families we have called.

I hope the following link helps to provide an overview of our plan. It is not intended to provide all of the details of the plan but should be used as a quick reference guide:

[North Canaan A to Z of Reopening](#)

We will not be starting the year with middle school sports. Once the school year starts we will reassess whether it is safe to begin an athletic program.

AHA!: This year the AHA! program can accept 16 students in the after-school program. [Click here](#) for the link to the registration packet. The school can print a packet for you if you give us a call at 860-824-5149. We will place it in the bin in front of the school with your name on it.

[Student Handbook](#): Please read the updated student handbook for 2020-2021. You can print [this second page of the handbook](#) and sign it or we will send a hard copy home on the first day of school for you to sign and return with one of your children.

[Stop & Shop A+ Rewards Registration](#): Be sure you have selected North Canaan Elementary School as the recipient of your Stop & Shop points. If you registered last year, your card remains registered. If you have not or are not certain, click on the blue link to register so that our school can receive these valuable funds.

[Canaan Child Care Center](#): Click on the blue underlined link to see if your child is eligible to attend. The Canaan Child Care Center is located within North Canaan Elementary School.

You can always reach me at aroy@nceschool.org.

Stay Safe and Well,

Dr. Roy

Principal
