Kindergarten Field Trip

St. Stephen students participate in a variety of field trips to enhance and enrich their academic studies. On November 27, both SSCS kindergarten classes took their first field trip to the South

Florida Museum. This museum was chock-full of artifacts and extinct skeletal remains from past human and animal habitats of Florida. This enabled students to solidify the previous social

studies lessons taught about the past and present. Students were also treated to an age-

appropriate movie in the museum's planetarium as well as watch divers and trainers in the Parker Manatee Aquarium help rehabilitate a couple of manatees who were about to be reintroduced to the wild.

MISSION STATEMENT: St. Stephen Catholic School is devoted to inspiring students to achieve their full academic potential while demonstrating a desire to continue Jesus' mission by applying Catholic morals, beliefs, values and practices in their everyday lives. We are committed to motivating students to sustain a lifelong love of learning.
