

All current and former students, players, friends, families, parents, administrators and community leaders, are invited to help pave the way to successful athletic achievement. With the purchase of a personalized, engraved brick, your pride will be permanently set and prominently displayed in the walk way to the new Arton Gymnasium. All parents or community members can honor your child or family member, recognize a graduation, remember a loved one, show support of an organization, or advertise your business with a purchase of a "Preserve the Pride" brick. Your purchase will not only become a permanent part of the Arton School Gymnasium, but will help to support our athletes for years to come.

There are two brick sizes available for your consideration.

4" x 8" - \$100
8" x 8" - \$200
