SECOND QUARTER PROGRESS REPORTS

Your child's second quarter progress report is coming home today. This will just show a little bit more of what we will be focusing on for each individual child. I have suggestions of activities you can do at home to help your child continue to prepare for when they get to Mrs. Jen's class. Please work on those things with your child at home.

CLASSROOM NEWS

Welcome Back! I always think breaks are never long enough since all we do is rush, rush, rush! But when we return, it always feels so good to be back!!

To ease back into our school routine, we reviewed Colors this week. Some of the activities we did is coloring a picture with their favorite color, everybody got to color a page for our Brown Bear, Brown Bear Class Book, we discovered color mixing with colored water and paint with shaving cream, and tomorrow we make color collages!

This week our books are Bear Sees Colors, The Crayon Box That Talked, Brown Bear, Brown Bear What Do You See?, The Day The Crayons Quit & How The Crayons Saved The Unicorn.

Our newest class book, Brown Bear, Brown Bear What Do You See, is going to start circulating home so please look at it with your child and send back the next day!
