Cape May County Fire Academy	171 Crest Haven Rd, Cape May Court House, NJ 08210	Saturday, 10/17/2020 8:00 a.m.-1:00 p.m.

Daycare & Preschool Vaccine Requirements

The New Jersey Department of Health requires all children 6 months through 59 months of age attending any child-care center or preschool facility to receive at least 1 dose of influenza vaccine between September 1 and December 31 each year. Children who are not vaccinated will not be able to attend school until the end of the flu season, which is currently estimated as the end of March.

For All County Flu Clinics

Persons with a severe allergy to eggs, other vaccine component, or who have been told by a doctor that they have had Guillain-Barre syndrome must receive the flu vaccine from their personal physician.

Persons with a severe allergy to Thimerosal can receive the vaccine from the Department of Health, but not at the drive-through clinic.
