Mrs. Alisan will be teaching Social Studies and ELA. (Reading, Language Arts, and Writing)

A Parent's Guide

MCES Third Grade 2020-2021

Mrs. Kydie Dean
Mrs. Alisan Worsley

Communication

Communication Folder:

A plastic folder will be provided for students on the first day of school. Students will keep study guides, login information, homework, etc. within this folder. The folder will be taken home each day and returned to school the following day. Having their folder with them is part of their classroom expectations. Please check your child's folders every night for important things, such as signed papers, etc.

Behavior Expectations:

We have high expectations for the students in our rooms. We expect the students to achieve academically to their fullest potential. We expect students to contribute in a positive manner to our classrooms. The school wide discipline plan will be in place to ensure that things run smoothly within our classrooms. We are using Class Dojo for behavior and parent communication. Weekly and monthly behavior celebrations will occur. These are determined by the number of points lost on Dojo by the end of the week.

Homework:

Your child may have a short homework assignment each night. Homework is to be kept in the communication folders. It will reflect the skills that we are covering in the classroom. Remember to read every night!

Newsletter:

We want to make sure you are informed of upcoming events and what your child is learning in school. A weekly newsletter will come home at the beginning of each week. It will contain schedules and information pertinent to the week, such as reminders, test days, etc..

Class Dojo

Please sign up for class dojo. There is a free app or you may sign up through email. This is an awesome way to communicate and send reminders, as well as a classroom behavior tracker. See your child's teacher for their class code. www.classdojo.com

Lexile Levels

Please be familiar with your child's Lexile Level, a measure that is a valuable tool for teachers, parents, and students. It serves two unique functions: it is the measure of how difficult a text is and it is a measure of a student's reading ability level.

The Lexile "Stretch" Bands of the average third grader is 520L to 820L.

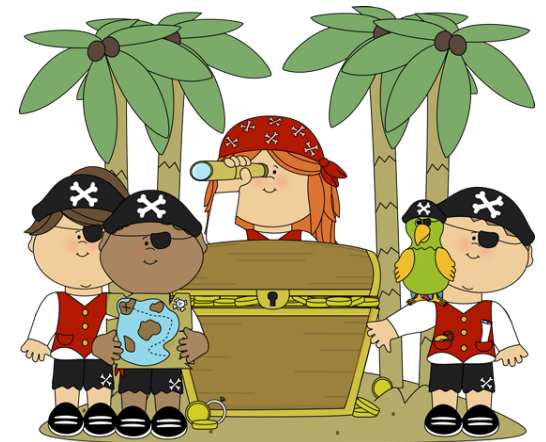

You can find important information regarding Lexile bands at: gadoe.org/Curriculum-Instruction-and-Assessment/Pages/Lexile-Framework.aspx

Education is a partnership between home and school. We value parent involvement at every level and encourage you to partner with us. In order for this partnership to be effective, we need to be able to communicate.

Please feel free to call, write a note, e-mail, or Dojo us if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issue or concern you have regarding your child.
