

Morrison-Todd-Wadena County Youth Leadership Training

Join us for a fun and informative day!

Morning Session: "Breakthrough"

Join us for an upbeat workshop from nationally recognized speaker and author Craig Hillier. This interactive workshop will explore the ins and outs of leadership as we prepare for the 2021-22 school year. Through stories, activities and discussion, students will take away ideas and skills that will be beneficial in high school and in life. Don't miss this opportunity to meet outstanding leaders in the area and participate in a dynamic session!

Afternoon Session: Our Communities

Students will learn about local vaping/nicotine conditions and share ideas to promote wellness. This is an opportunity to build creative skills while developing messages to promote healthy choices in our communities.
