Date of Meeting: _____ Date of 504 Plan: _____

Pupil: _____ Birth date: _____ Grade: _____

School: _____ Date of Disciplinary Action: _____

Disciplinary taken/proposed: _____

Description of behavior/actions resulting in this analysis:

The 504 Team is conducting this meeting to determine whether or not the alleged misconduct of the Pupil named above was caused by, or a direct manifestation of, the Pupil's disability and whether or not the 504 Plan was being implemented. The team reviewed and considered Pupil's health records, school discipline records, evaluation results, observations of the student, information provided by Pupil's parents and Pupil's 504 Plan (see 504 Comments Sheet for more details).

Pupil's 504 Disability: _____

The Manifestation Determination team determined that, in relation to the behavior subject to the disciplinary action:

- ❖ The behavior was caused by, or had a director substantial relationship to the disability: Yes No
- ❖ The behavior was the direct result of the LEA's failure to implement the 504 plan: Yes No

A "No" answer to both of these questions indicates that the behavior is determined not to be a manifestation of the child's disability. The relevant disciplinary procedures applicable to children without disabilities may be applied to the child in the same manner and for the same duration in which the procedures would be applied to children without disabilities. A "Yes" answer to either of these questions indicates that the behavior is determined to be a manifestation of the child's disability. The Section 504 team must convene a meeting and determine what supports are necessary to meet the student's needs in the least restrictive environment.
