

June 14, 2021

Dear Fifth Grader,

We just wanted to write you a little note to welcome you to what we hope will be an exciting and enjoyable school year. It will be filled with ideas, projects, and oral and written reports. This will help us to learn about the past and present. Of course, it wouldn't be fifth grade if we didn't have some fun planned, too!

Here is a list of materials you will need for the start of school:

- (3) wide-ruled 1 subject spiral notebooks
- red pen(s) (for editing only)
- pencils
- a small pencil pouch (boxes will not fit in desks)
- (2) boxes of tissues
- One folder for homework
- One 1 inch binder for Mrs. Stewart's class only

In addition to the above materials, the P.T.O. will provide you with an assignment book to help you organize each day.

Please remember to bring your good manners and positive attitude with you for the entire school year. The fifth graders at Frisbie make up one big team, so we all need to help and support one another to have a winning year.

We are looking forward to seeing you again and working with you! Until then, please keep reviewing your math facts and reading.

See you soon,

Mrs. Stewart
Mr. Granato

Homework Assignment

Assignment: “Get to Know You”

Start with a paper bag (a lunch bag or grocery bag may be just right for you). Decorate the bag and fill it with *at least* four (4) objects from home that tell something about your personality or you as a student. One of the items in the bag must be a book that you have read over the summer other than the assigned summer reading book No Talking. Some other possibilities may be a travel brochure, postcards, photograph, a sample of your hobby, a school project, etc. During the first week of school, you will be sharing the contents of your bag with your classmates to become acquainted with each other and learn about your classmates.
