SOUTHERN LOCAL ELEMENTARY ARTS NEWSLETTER

AUGUST 23, 2019

## Welcome Back!

The 2019-2020 school year is going to bring lots of excitement to the art room! With the addition of new equipment, students are going to learn about printmaking and how we build, fire, and glaze ceramics. With these new tools, students will have the opportunity create projects that would otherwise be impossible.

Students will continue to add to their art vocabulary bank, investigate new techniques and materials, and even dabble in a little old school photography from 1842. Exciting things are happening in the art room. I can't wait to share and explore these new ideas with your child!

Sincerely,

*Miss Adams*

## Upcoming Dates

September 2: Labor Day - No School  
October 10: Parent/Teacher Conferences  
October 11 & 14 - No School  
October 25 - End of First Nine-Weeks

## REMINDERS

- Make sure your child has an art shirt. It helps keep the mess off their clothes.
- Students will keep their artwork in a portfolio at school. At the end of year, students will be bringing their artwork home. Our page will be updated with student work on a regular basis so be sure to check it out!
- Encourage your child to create, make mistakes and learn from them, and to have fun! Art is a process and we often have to work and rework until we get it right. When we do get it right, the reward is pretty great!
- Ask them about their creations. Having them talk about their work strengthens their communication skills. It also helps them with their art vocabulary.
