**Re: Free On-Site Learning Opportunities and Support Services**

Dear Parents and/or Guardians:

We are pleased to announce that beginning August 17, 2020, the Page Unified School District will begin offering free on-site learning opportunities and support services for students who need a place to go during the school day. Ernie Rivers will be the District's Onsite Support Services coordinator.

- Please be advised that this service **will not** provide teacher-led classroom instruction. It will, however, include in-person support services such as student supervision and strategic support for students in need during standard school hours, and may include teacher or paraprofessional support for students engaging in distance learning instruction.
- It is important to note that this service may be suspended or terminated at any time if deemed appropriate by the Arizona Department of Health Services.
