ELEMENTARY GRADING

Grades at A.S.C. Elementary are an indication of achievement, not effort. Teachers will regularly send 'signed papers' home. Students will be issued a report card on the Wednesday following the end of a grading period. Please sign this card and return it to school the following morning. The grading scale is as follows: A = 100-90, B = 89-80, C = 79-70, D = 69-65, F = Below 65. Kindergarten students are issued a report that indicates progress on skills taught.

PUPIL PROGRESSION

Below is a list of criteria for promotion from one grade to another. If you have questions regarding these guidelines and how they relate to your child, feel free to contact the office and arrange a conference.

1. Absences do not exceed 20 days (decision based upon attendance review meeting). A student's attendance should reflect upon their grades.
2. In kindergarten, students must successfully complete the achievement levels of reading and math.
3. In grades 1-8, students must not fail over 1 major subject. Major: Reading, Math, English, Science and Social Studies.
4. In grades 9-11, students must earn enough Carnegie units to be promoted.

SCHOOL VISITORS

1. Upon entering the campus, all visitors must report to the High School Office.
2. Only in a rare emergency is the teacher to be interrupted while teaching. Conferences must be scheduled to give parents adequate time and attention. Arrival and dismissal times are not the proper times to conference.
3. Student visitors and pre-school children are not allowed unless under the auspices of the school.
4. Unauthorized visitors are not to board a school sponsored bus.
5. Unauthorized visitors may be charged with trespassing and picked up by proper authorities.

* SEE COVID-19 POLICY FOR CHANGES

UNAUTHORIZED SELLING

There shall be no unauthorized selling of any type of merchandise to students or staff during the school day. The administration will announce when school-sponsored items are to be sold.

CUSTODY ISSUES

School administration must be made aware of any custody situation where a parent, grandparent or other individual is legally prohibited from visiting or picking up a student. The school must have on file legal papers regarding these matters. It is the parent's responsibility to keep the school informed when these situations exist. If one parent has custody and grades (or information) are not to be released to the other parent, the office must be informed.

ARRIVAL AND DISMISSAL

Drivers with students in grades K3- 2nd will veer to the right after the split. They will stay in this inside lane in order to be nearest the classroom doors. After deliveries and pick-ups, drivers will merge into the outside lane for exiting.

ARRIVAL: Students should not be brought to school before 7:30. **At 7:30 THE PEN will open for early arrivals in K3-6th grade.** (Students should not be brought to school before 7:30.) At 7:45 the elementary gate will open. At that time all pen students will be dismissed to their classes. Junior high and high school students will be dropped off in one of two places. 1) Students who do not have an elementary sibling may be dropped off at the west end of the building 2) Students who have an elementary sibling may be dropped off at the east end of the building.

DISMISSAL: Grades K-3 – 2nd will be dismissed from their classrooms at 2:45. Also at 2:45 grades 3-6, including siblings, will be dismissed from The Pen. Students in grades K-3-2nd, plus sibling riders, must enter on the driver's side or drivers must get out and accompany them to the passenger side. Grades 7th – 12th will be dismissed at 2:50. Elementary bus riders will be dismissed at 2:40 while 7th-12th bus riders will be dismissed at 2:45. Junior high and high school students who do not drive may be picked in the same manner as their arrival (see above). The dismissal bell rings at 2:50.

High School students, parents, and visitors are expected to not cause unnecessary congestion around the elementary building.

Juniors and Seniors who are eligible to leave early may do so after 6th hour. **Those students must provide a signed parents note and they must sign out in the office before leaving. Students failing to follow these steps may face disciplinary actions.** These students, when parked in the normal student parking lot, are to exit campus by going in front of the high school building.

All children should be picked up by 3:00. After 3:00 students will be sent to after care and parents will be charged. Some teachers may remain to work, but they are NOT RESPONSIBLE for students.

Elementary students should not be left unsupervised on campus while an older sibling is practicing a

sport. The first time the parent will be called, after that Mississippi Department of Human Services MAY be contacted. All students on this campus are to be supervised at all times. Amite School Center will not be responsible for those left after school hours with no supervision.

ELEMENTARY AWARDS POLICY

1) Academic awards for: individual subjects within a class; honor roll first three 9 weeks will be awarded using Grade Point Average.

2) Students who have all A's or A's and B's will be eligible for honor roll.

TESTING PROGRAM

1. Each spring students in grades K5, 1st, 3rd, 5th, 7th, and 9th are given the Stanford Achievement Academic Test (SAT). Students in 1st grade are given the Otis-Lennon Ability Test.
2. Students in grades 1st-6th will be tested at least once per 9 weeks using the STAR reading and math test. These tests are simply a gage of student performance.
3. ACT (American College Test) is used primarily for admission to college. Scores in four subject areas are reported for predicting freshman academic averages of individuals. The ACT is given to juniors and seniors on campus during the spring. Students taking the ACT Prep course must take the ACT test during that same school year as a requirement of the course.

**** All Graduating seniors are required to have taken the ACT at least once.**

4. ASVAB (Armed Services Vocational Aptitude Battery) is a group of twelve tests that measure aptitude in five career field areas. The tests are General Information, Numerical Operations, and Attention to Detail, Work Knowledge, Arithmetic Reasoning, Space Perception, Mathematics Knowledge, Electronic Information, Mechanical Comprehension, General Science, Shop Information, and Automotive Information. The scores are on the following composites: Verbal,

Math, Perceptual Speed, Mechanical, Trade Technical, and Academic Ability. All juniors take this test at no cost, as required by MAIS.

GRADING SYSTEM

Students will be issued a report card on Wednesday following the end of each nine weeks. Please sign this card and return it by your child to school the following morning.

Grades are indicated by letters which have values as follows:

100- 90 A 89-80 B 79-70 C 69-65 D 64-0 F

Nine Weeks Averages will be comprised of Tests(50%), Quizzes(25%), Daily(20%), Citizenship(5%)

Citizenship grades will be determined weekly in relation to "The Rebel Way", located on page 2.

H- Honorary-----3 points
S- Satisfactory-----2 points
U- Unsatisfactory-----1 point
AU- Administrative Unsatisfactory-----0 points

15 possible points per week if present each day in every class. If a student misses one day of school in a 5 day week, the possible points will be 12. The number of possible points will decrease as the student is absent.

Students are assigned a letter each day. Each letter represents the value indicated above. Teachers will add letters/values together at the end of the week to determine a citizenship grade.

Example: Week 1

Monday- H Tuesday-H Wednesday- S Thursday- S Friday- H
3+3+2+2+3=13 13 points/15 Possible Points= 87% citizenship grade week 1

- If a student has a failing (64 or below) citizenship average (or U) on their Progress Report, the student MUST attend morning detention. Morning detentions will be held the week following the distribution of Progress Reports, from 7:00 am-7:55 am. Morning detention for failing citizenship averages (or U's) are distributed by each individual class. One failing citizenship average (or U) is equal to 3 days of morning detention. Example: If the student has a failing citizenship average in English II and Algebra I, the student will have 3 days PER U, meaning the student will serve 6 morning detentions. The parent/guardian of the student must pay the cost of supervision. The cost is \$10 per day.
- If a student has a failing (64 or below) citizenship average (or U) on their Report Card, the student MUST attend a 4 hour Saturday Citizenship Course. The parent/guardian of the student is required to pay the cost of supervision. The cost of Saturday Citizenship Class is \$100.
- Money MUST be paid upon arriving at Morning Detention or the Saturday Citizenship Course.
- If a student has a failing citizenship average (or U) on Progress Reports or Report Cards, they MUST be worked off by the protocol stated above. If the student does not work off their U by the protocol stated above, the student will not be allowed to participate in extracurricular activities and/or be promoted to the next grade/graduate.

Semester Averages will be comprised 9 week (40%) + 9 week (40%) + Semester Exam (20%)

Honors classes will be weighted on a scale of 1.1.

Students are expected to take examinations on the day specified. It is the school's policy not to administer an examination early or prior to the scheduled time. Semester exams will run on a half day schedule from 8:00 – 12:00.

EXEMPTIONS FROM EXAMS

Semester Exams will be given. These exams will be given in December and May. Students (1st-11th) may gain an exemption from Final Exams in May, if they have a 90 yearly average in the course moving into the exam. If a student in grades 7-12 is in a semester course that concludes in December, may be exempt if their semester average is at least 90%.

- Seniors may gain exemption from Final Examinations in May, if they have a passing average in the course moving into the final.

ATTENDANCE

Attendance Philosophy:

Regular and punctual attendance is expected of all students. Lack of attendance is the primary cause of low student achievement. It is vitally important that parents have their children in school on time every day that school is in session. ASC and MAIS policy mandates that a student is subject to forfeiting the right to receive credit for the year regardless of the grades earned if a student has excessive absences (20).

Attendance Policy:

Parents will be notified of absences by letter and/or phone call when a student has missed 7 and again at 15 days. When a student has 20 absences, parents will be required to attend a conference with the Administration and Teachers of the student. Results of this conference could include failure of the student or docking of points from the end of year average. Absences due to school functions will not count toward the 20 maximum absences. Students participating in extracurricular activities must be in attendance for 4 academic classes to participate in the activity unless the absence is due to a documented doctor's visit or approved special circumstances.

Make-up Work Policy:

Makeup work due to absences must be made up in a timely manner. It is the student's responsibility to get assignments that were missed due to absences. The student will have the same number of days to makeup workup as were missed. The student is responsible for making up a missed test, failure to do so will result in a grade of a 0. Students should plan accordingly with the teacher for missed tests to be made up. The student will have the same number of days missed to take the test. Special exceptions may be allowed from the Administration due to extended or severe illnesses.

Example: Wednesday, Johnny missed a test and homework assignment. When Johnny returns to school Thursday, he will make up the test with his teacher and get his missed homework assignment and turn it in Friday. He has one day to complete make-up work, because he only missed one day of school.

TARDIES

A student is tardy between 8:03 am – 8:23 am. The student must report to the main office and obtain an admittance slip to class. After 8:23 am, the student will be marked absent and will not be admitted to class. They must wait and check in to the next class period.

Every third (3rd) morning tardy that the student acquires, they will be required to attend one (1) Early Morning Detention (7:00 am – 7:55 am). The parents/guardian will be required to cover the cost of supervision (\$10 per day).

Tardies will affect the student's citizenship grade. Part of "The Rebel Way" is being accountable. Being on time, ready/prepared to learn is utterly important in the students' education. Additionally, that student is a distraction when entering class after teaching has started.

Elementary students who are routinely tardy will be referred to the office.

DISMISSALS FROM SCHOOL

Requests for student dismissal should be confined to medical/dental appointments, illness, or instances of an emergency or critical nature. Written parental request or other parental contact has to be submitted to the Office by 8:00 A.M. on the day of a planned early dismissal. Unexpected dismissal due to illness or emergencies will be granted only upon telephone (no text messages), email, and/or personal contact and at the consent of the administration. **Lunches and personal errands are not considered emergencies or critical in nature.**

A pattern of numerous early dismissals will result in school/parent conferences and the possibility of make-up time or other action as prescribed by the Administrator. When leaving campus early, under normal circumstances, students 7-12 must report to the office and then to the attendance monitor. This does not apply to juniors and seniors on approved early dismissal. **Under no circumstances shall a student leave the campus for any reason without gaining school approval and checking out in the Office. Please plan ahead.**

MEDICAL INFORMATION

1. All kindergarten students and new students must have a Mississippi Immunization Certificate of Compliance marked "complete". Updated immunization certificate of compliance should be brought to the office for filing in cumulative folder
2. All kindergarten and new first grade students must present a copy of birth certificate and social security card before enrolling.

3. Parents will provide pertinent medical information on or with registration forms and continue to update when necessary.
4. Any student in need of medical attention while on or about the property of A.S.C. or on any school related function shall be taken to the nearest medical facility.

Medication: We prefer to refrain from giving medication to students. If absolutely necessary, medication will be given by the teacher (K-6) or office staff (7-12), only if a note from a parent describing the time and dosage accompanies the medication. Students in grades 7 - 12 taking any form of prescription medication must bring a note from their parents or doctor giving the time and amount of each dose.

ATHLETIC ELIGIBILITY

Students may participate in the school's athletic programs. For a student to participate in any junior varsity or varsity sports, he/she must have accumulated 5 major units (credits) the previous academic year. Satisfactory summer school will apply towards a student's eligibility at the beginning of the school year. Grades will be checked frequently and reported to coaches each time that progress reports and report cards are issued. At no time does athletics supersede the educational experience of a student. Student-Athletes are first a student followed by being an athlete. If a student-athlete is absent due to an athletic event, they must follow the attendance make-up work policy on page 11. An athletic event is NOT an excuse for not completing one's class assignments. To be eligible to participate in that day's game, a student must attend at least 4 academic classes.

TUITION

Amite School Center operates on a sound budget and depends on prompt tuition payments. Monthly statements are not mailed. Please note the following Payment Policy.

1. Tuition is due on the 1st day of each month. If you make a partial payment on tuition, it will always be credited to the oldest invoice first.
2. Tuition is late after the 10th of each month. If the 10th falls on a weekend, tuition must be received in the business office by the following Monday at the close of school or postmarked before the post office closes on Monday. All tuition received after the 10th will be assessed a \$40.00 late fee. This amount is compounded each month until full payment is made.
3. All accounts must be current in order for a student to begin on the first day of school.
4. All accounts two months in arrears must be cleared by the 15th of the 2nd month in order for a student to return to school and participate in athletics. The family will be notified by letter from the headmaster. If a family receives two letters from the headmaster during the school tuition year (June 2019-May 2020) that they are two months behind in tuition, they will be placed on a month-to-month probation for the rest of the school tuition year. This means that their tuition will have to be paid in full each month by the 10th in order for their children to attend school for that month. These probation payments must be made in cash.
5. All accounts must be current for the student to receive grades for the first or second semester.
6. All accounts for seniors must be paid in full, by 10th of May, for the students to receive a diploma.

NSF Check Guidelines

Payment is to be made in advance or at pick-up time on a day-by-day basis. Money will not be credited for change of plans. It will be credited for school closings; for example: inclement weather. Since workers are hired based on day-by-day attendance, it is important for the school to be notified early as possible on the day after-school care is needed.

INSURANCE

Students attending A.S.C. will have the option of purchasing insurance through a reliable insurance carrier, but A.S.C. is not responsible for those expenses unpaid by the policy. If you do not wish to purchase this policy, a written waiver of insurance must be signed by the parent or guardian of the student. A waiver may be obtained in the office. If there are any questions regarding the insurance policy, please call the office.

TEXTBOOKS

All textbooks are loaned to students for their use during the school year. Workbooks and other supplies are paid for by the student. Textbooks are to be kept clean and handled carefully. HALLWAYS

Students are not to loiter in the hall before school and during break or lunch. Students may only go to the restroom during these times. The bell ringing at 7:55 is when the HS building will be open to students. A student in the hall during a class period is required to have a hall pass signed by the teacher who gave the student permission to be in the hall. When it is raining or severely cold before school, students will report to the gym. Otherwise, before 7:55 and during break or lunch periods, students are not allowed into the school building, except under the supervision of a teacher. *SEE COVID-19 POLICY FOR CHANGES

Student Code of Conduct

All students of ASC are expected to handle themselves in such a way that reflects our standards and beliefs as a Christian school. Students are expected to represent ASC at school, all school related functions, and any school related media.

Misconduct in or at any of these venues will fall under school discipline and may be handled accordingly by the Headmaster. As a school we do realize that we cannot and do not attempt to monitor students' actions away from school, school activities, and school related media. Having said this, we do hold our students to a certain standard of conduct and behavior. We expect the students of ASC to act and speak in a manner that reflects positively upon our entire school.

DISCIPLINE

Discipline Philosophy:

Discipline is not what you do to students, but rather what you do for them. It is the mission of Amite School Center to provide “quality Christian education in a disciplined and safe environment”. A student who cannot be disciplined cannot be educated. Amite School Center expects parents to support and students to obey the disciplinary procedures outlined below. When a student is misbehaving, they are robbing his/her classmates of their right to receive the full value of private school education for which a parent/guardian is paying. It is the school’s desire that the disciplinary measures taken be appropriate to the offense and carried out in a manner that is not degrading to the student yet effective in teaching. Therefore, the school reserves the right to use a number of disciplinary methods. All student disciplinary practices are carried out to fulfill the mission of Amite School Center and our service to our Lord in His work at Amite School Center.

METHODS OF DISCIPLINARY ACTION:

1. TEACHER INITIATED:

The teacher will discipline the student at the time of the infraction.

2. ADMINISTRATION REFERRALS:

Students may be referred to the office for a conference for repeated offenses of deliberate and willful misconduct or disrespect for fellow students and/or teachers. Parents/Guardians of such students will be contacted.

DISCIPLINARY PROCEDURES

A. EARLY MORNING-

Students may be placed in Early Morning Detention under the supervision of faculty members. Students will be required to study or work on class assignments during this time. Early Morning Detention will be held from 7:00am-7:55am on Monday – Friday of each week. Parents/Guardians of students are responsible for covering the cost of supervision (\$10 per day). Payment is due the morning of detention. Students who fail to report to detention on time will be assigned an additional detention.

B. CORPORAL PUNISHMENT-

This method of punishment may only be administered by headmaster/asst. headmaster. Corporal punishment consent form must be signed by parents/guardians.

C. WORK DETAIL-

This method of punishment is a work project assigned to the student such as campus cleanup, etc. The amount of time assigned will be determined by the Administration according to the seriousness of the infraction.

D. OUT-OF-SCHOOL SUSPENSION –

The student will be removed from school grounds for a length of suspension 1 (one) to 3 (three) days. The student may not participate in extracurricular activities on days of suspension. Days suspended will be applied toward the 20-day maximum of absences allowed for the student. It is the student's responsibility to make up any missed assignments. The student must follow the make up work policy on page 11. At the conclusion of the semester, three (3) points will be deducted off the students final grade, in each class, per day that OSS was assigned.

E. EXPULSION –

Any student who violates the policies and rules of Amite School Center in such a manner that the student is uncooperative and/or a threat to the general welfare of the student body and/or faculty may be brought before the Administration and Board of Directors for expulsion.

Disciplinary Hearing Procedure:

Disciplinary practice and procedures will be reasonable and for the best interest of the child involved and students in general. Upon reasonable request, parents will be advised to the nature of the infraction and the penalty or punishment imposed, under the following guidelines:

1. A phone call by administration informing the parent of the situation other than Break Detention, which will be entered into FACTS.
2. A conference with the teacher and/or administration taking place during school hours.
3. Both parents should attend the conference, or if only one parent is present, the absent shall be deemed to have appointed the attending spouse as agent, and all matters and proceedings at the conference will be to the same effect as if both parents were present and participating.
4. If communication cannot be had in a polite and civil manner, the conference shall cease. If the parents wish to pursue the matter further, arrangements may be made for appearance before the School Board.
5. Under no circumstance shall a parent proceed to the home of a teacher or administrator with a grievance except by mutual consent in advance.
6. Abuse or intimidation of teachers or administrators will not be tolerated, whether during school hours, at home, or in any other manner. Intemperate language or threats may result in suspension or expulsion of your child. Legitimate complaints will be given proper consideration, but the administration will not permit disruption of the school or jeopardize the education of the vast majority of students because of the irresponsible conduct or attitude on the part of a small minority.

CELL PHONES/SMARTWATCHES

Phones and other forms of technology will be used in the classroom when the teacher deems necessary. Students may not use their cell phones, smart watches, or any other form of technology in the hallways, restrooms, lunch room, on break, or at any other time of the day. At any point during the school day students may be subject to an appropriate cell phone search, if a staff member has reason to believe that a student may be using a device for noneducational purposes. The use of Smartwatches will result in both the watch and phone being taken. Elementary students will have designated areas in their homeroom to place a phone without being punished. If they are found with a phone after homeroom the following will apply.

A student caught with their phone at school will be handles as follows:

1st offense (per year): The phone will be taken and kept in the office until a parent comes to pick it up.
2nd offense: \$20 fine and the phone will be taken and kept in the office until a parent comes to pick it up.
3rd offense: \$40 fine and the phone will be taken and kept in the office until a parent comes to pick it up.
4th offense: \$75 fine and the phone will be taken and kept in the office until a parent comes to pick it up.
5th offense or more: \$100 fine and the phone will be taken and kept in the office until a parent comes to pick it up. Additionally, the student will serve one day of In-School Suspension.

DRUG TESTING POLICY

All students in Grades 7 through 12 and staff are required to participate in the drug-screening program at A.S.C. For any student who refuses to participate, ASC will call the parents and the student will be dismissed from school immediately.

The purpose of the drug testing policy is:

1. To educate the students concerning the dangers of drug abuse.
2. To help prevent drug abuse by students of Amite School Center.
3. To identify any students who may be using drugs and to identify the drug.
4. To provide reasonable safeguards in order to ensure that every student who attends A.S.C. is medically competent.
5. To remove the stigma of drug abuse from those students who are not users.
6. To reassure students, parents and the community that the health and academic progress of each student is the primary goal of Amite School Center.
7. To re-emphasize to the students his/her responsibility as a positive role model.

A.S.C. will provide appropriate programs with the goal of preventing and discouraging student's use of chemicals.

- A consent form will be signed at the beginning of the school year by all students and parents.
- All students in grades 7-12 are subject to random drug testing as well as faculty and staff.

Drug testing may be requested in cases of suspected drug use. When a staff member has a reasonable suspicion that a particular student is under the influence of drugs or alcohol, the Headmaster will be notified and will determine the appropriate course of action, including notification of parents.

Positive Test Results

If the positive result is verified and confirmed, then the following steps will be taken:

1. If a student tests positive on a drug screening, they have 24 hours to submit proper prescription information.
2. If a student tests positive on a drug screening, an Administrative Unsatisfactory (AU) will be given to the student and they will have to attend a Saturday Citizenship Course. The parents/guardians will be required to pay a \$100.00 fine, which will cover the cost of supervision for the course.
3. Subsequently, the student MUST submit to random drug screening once a month throughout the calendar year. Amite School Center Administration or a designee will take the student randomly to a facility in Liberty that conducts drug screening. Parents/guardians are required to cover the cost of the random drug screening for the entire calendar year.
4. If a student has a second positive drug screening, that student is subject to expulsion from the Headmaster and Board of Directors.
5. Parents may contact the Headmaster and request to appeal to the school board. If a student is withdrawn prior, no appeal hearing will be granted.

Mr. & Mrs. ASC Guidelines

- Must have attended ASC since the beginning of 9th grade. (Jr. High beginning of 7th grade)
- Overall GPA of 3.0
- No MAJOR discipline referrals
- Must participate in at least one extra-curricular activity

LICE TREATMENT

Students found to have lice or nits may be sent home with instructions from the school as to the requirements for returning to school.

INCLEMENT WEATHER

The closing of school due to inclement weather will be announced as soon as possible. Announcements of school closures can sometimes be made the evening before the closing of school, however, most days the announcement cannot be made until the morning of closing school. The Administration will endeavor to make a decision as early as possible. We desire for decisions to be made by 6:30 am or earlier when possible. Information on school closures will be sent via FACTS and the school website. Additionally, K-106 McComb will officially report the closing of school.

ASBESTOS MANAGEMENT PLAN

Congress passed legislation in 1987 which requires all schools to inspect or re-inspect their facilities for asbestos. Our first inspection was in 1988 with re-inspections. SHOULD YOU DESIRE TO VIEW OUR ASBESTOS MANAGEMENT PLAN, a copy is maintained in the school office and is available for your inspection.

CARE OF SCHOOL PROPERTY

Care and treatment of school property shall be governed by the by-laws of the Board of Directors of Amite School Center. We have a fine school and want to keep it that way. Emphasis should be placed on proper care and beautification of the school grounds. When a student willfully or negligently damages or destroys property, parents will be responsible and appropriate damages shall be assessed and collected.

A.S.C. will not be responsible for items such as cellular phones, pagers, radios, tape players/recorders, video games, and musical instruments (including any instruments) brought to or left at school.

COOPERATE SPIRIT POLICY

Amite School Center believes that a positive and constructive working relationship between the school and a student's parents/guardians is essential to the accomplishment of the school's educational mission. Amite School Center accordingly reserves the right to terminate at any time or not renew a student's enrollment contract if the school reasonably concludes that the actions of a parent or guardian make such a positive and constructive relationship impossible or otherwise seriously interfere with Amite School Center's accomplishments of its mission.

ACCEPTABLE INTERNET USE POLICY K-12
