

2019-2020 Benchmark Content Checklist

**6th Grade Math
Mississippi**

Please complete this form to communicate to the CASE Assessments team which content to include on each of your district's benchmarks.

District or School: Fifth Street School

Person completing this form: Talisha Cheeks

Date: 3/20/19

NOTE: Checking a standard signifies that the standard is to be assessed in its entirety. Since benchmarks are cumulative (testing curriculum taught from the beginning of the course), any standard checked for a benchmark will be assessed on all subsequent benchmarks.

In order to create balanced assessments that fully reflect the course material, CASE recommends customers select between 6-12 new standards per benchmark.

The final benchmark will be comprehensive and assess all standards.

Any requested changes to the checklist after it has been submitted to CASE may be subject to additional charges and/or adjustment of original test delivery schedule.
