

Families of OSS Students:

October 1, 2020

Beginning October 5, 2020, the location for the Onsite Support Services (OSS) will be changing from the high school gym to each school site. This means that your child should report to their school of attendance for OSS. Listed below is important information to remember:

- OSS will still be available for your students 5 days a week:
 - The week of October 5, 2020 is the parent teacher conference. The hours the OSS is open is: Mon, Tues, Wed 8:00-3:00, Thurs 8-12:30, Fri no school
 - Starting October 12, 2020 the hours the OSS is open is Mon, Tues, Thurs, and Fri 8:00-3:00, & Wed 8:00-1:30
- Please perform a health screen of your child prior to leaving for school. Students will continue to be screened upon arrival and parents are expected to remain until the student passes the screening.
- If you will be picking up your student after they are released, they will need to be picked up at the OSS drop off location.
- Breakfast and lunch will continue to be provided to OSS students.
- Please remember that OSS is a support service and students will not receive direct instruction from an in-person teacher. They will continue to access their classes via their Google Classrooms. Transportation will not be provided to access OSS.
- If your student has attended OSS previously, you will not need to complete the waiver and demographic form.
- If your student has not attended OSS yet, a waiver needs to be signed and a demographics form needs to be completed. Those forms will be available at the site and only need to be completed the first time the student is dropped off. You can find more information about OSS at <https://www.pageud.org/schoolreopeningplan>. That site will also have a registration form you can fill out to pre register your student.
