## **Home Cooking Assignment**

| Food Item prepared:                                                          |
|------------------------------------------------------------------------------|
|                                                                              |
| Recipe:                                                                      |
|                                                                              |
| Picture:                                                                     |
|                                                                              |
| Student's Evaluation:                                                        |
| Was the final result satisfactory? Rate 1-10                                 |
|                                                                              |
| Did the family enjoy the food prepared? Explain why or why not.              |
|                                                                              |
| What would you have done differently the next time you prepared this recipe? |
|                                                                              |
|                                                                              |
| <u>Parent/Guardian/Peer Evaluation:</u> (Yes or No)                          |
| Did the student make this recipe by him/herself?                             |
|                                                                              |
| Was the product satisfactorily prepared?                                     |
|                                                                              |
| Did the student clean up by him/herself?                                     |
|                                                                              |
| Any questions or comments:                                                   |
|                                                                              |
|                                                                              |
