two kinds of Christian broadcasting in radio's top five.

Highlights from Letters to Power 88

- My family has gone through many problems. I am still in high school and many teenagers know that when your family has gone through problems, school is hard to face. My father was not saved and we listened to stations like WABB. I started going to Church in Semmes, AL. pretty soon, I started to listen to Power 88 and I fell in love. That is the only channel on the radio I listen to. Not only do I love to listen to it but so do my family. Thanks
