School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

The purpose of the California Dashboard is to provide students and parents with information about our school's instructional programs, academic achievement, student activities, materials and facilities, and staff. Information about our district, Dixon Unified School District, is also provided. Parents and the community play an important role in our school by volunteering in the classroom, contributing to fundraisers, and supporting the school programs. The school staff strives to inform the community about the school's educational program, student achievement, and extracurricular activities.

We value:

- Students – first in everything we do
- Community – meaningful and supportive relationships
- Collaboration – essential to student success
- Respect – for each and every one
- Achievement – high expectations improve performance

We Believe...

- All students can learn.
- Students are our first priority.
- Students benefit from family and community support.
- All people have worth.
- High expectations improve performance

School Description and Mission Statement (School Year 2019—20)

Dixon Unified School District is comprised of 3 Elementary Schools, 1 Middle School, 1 High School, and an Alternative High School. Tremont's population is approximately 430 student's kindergarten through 5th grade. Tremont Elementary School promotes high academic success through high expectations and rigorous academic instruction. Tremont encourages active student engagement by providing each student with a diverse education in a safe, supportive, nurturing environment that promotes self-discipline, motivation, and excellence in learning. The Tremont team joins the parents and community to assist the students in developing 21st-century skills to become independent and self-sufficient life-long learners who will succeed and contribute responsibly in a global society. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include the School Site Council (SSC), English Learner Advisory Council (ELAC) and Local Control Accountability Plan (LCAP).

We strive to meet the needs of each of our students by adhering to the District's core vision and beliefs, which serves as guiding principles for site-level planning. The guiding core vision is: Plan and act to meet our students' needs first, engage students in learning through innovative and effective instruction, invest in the growth and development of our staff, support learning through modern technology and safe facilities, and ensure on-going, measurable improvement through collaborations. All of these are the foundation of the district vision of: To close the achievement gap by preparing all students for college and career readiness and success in a global society. Tremont's Vision is to provide a strong sense of community.

School Facility Conditions and Planned Improvements

Tremont is a 29-year-old school that meets all state requirements for school facilities. The campus currently contains 35 portable classrooms, a multipurpose room, library, black top area and grass field for activities, two play structures, and an administration office. 100% of our bathrooms are in working order. The Dixon Unified School District along with North Bay Schools Insurance performs yearly safety inspections with the purpose of identifying and correcting any and all safety issues and concerns. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. All HVAC units undergo regular maintenance and cleaning. All classrooms currently have WIFI capabilities. Above and beyond the daily cleaning maintenance performed by custodial staff, the district schedules thorough cleaning of classrooms on a regular basis. The front office is projected to undergo a reconfiguration during the summer of 2021, to allow the campus to be secure during school hours, and force all visitor traffic to check in with the front office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	47.0%	51.0%	42.0%	41.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	32.0%	43.0%	34.0%	33.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parents have numerous opportunities to participate in their children's education. Our parents are very active; however, we continue to seek more ways to keep the lines of communication open. Tremont values and includes all stakeholders in the educational process. At school, parent participation is active and a key component of our culture. Family members contribute to the Tremont community in many ways, including volunteering in the classroom, attending parent education classes, organizing and assisting in daily school activities, and participating in committees. The School Site Council (SSC) and Teacher Parents Organization (TPO) invite parent/guardian involvement in school planning and activities. School Site Council Committee (SSC) help plan and evaluate the overall school program and approval of yearly budget expenditures. The English Language Advisory Committee (ELAC) assists in assessing the needs of and offering support to English Learners. The Teacher-Parent Organization raises money for the school to use each year. Family volunteers staff other school-wide events such as book fairs, movie nights, holiday parties, festivals, and school beautification efforts. Weekly newsletters ensure that parents/guardians are informed about curriculum, activities, and functions at Tremont. Parents are also encouraged to participate in the Local Control Accountability Plan (LCAP) district committee to help plan and evaluate local school funding.

School Safety Plan (School Year 2019—20)

Maintaining the safety and security of students and staff at Tremont Elementary School is a priority in our daily operations and long-term planning. When family members, volunteers, or representatives from outside agencies visit the campus, they first report to the office where they sign in and acquire a visitor badge. This protocol is encouraged with signage and reinforced by staff members. Students are supervised during all parts of their day. Certificated staff provides instruction and oversight during class time while classified staff supervises students during recess and lunch periods. The Comprehensive School Safety Plan is in compliance with Senate Bill 187. Yearly, the committee meets to review materials within this Safety Plan. In addition to an Incident Command structure, this document outlines responses to fires, floods, earthquakes, toxic spills, and campus intrusions. Specific instructions for staff and student responses are outlined in the plan. All staff and students practice fire drills monthly and lockdown drills at least four times a year to reinforce the procedures outlined in our Safety Plan. Should such a situation arise, school staff will remain on duty to ensure the welfare of all Tremont students until it is feasible and appropriate for parents and guardians to pick them up. The school maintains necessary first aid supplies in designated locations and these are inventoried and replaced each year

Types of Services Funded (Fiscal Year 2018—19)

Tremont Elementary receives Title I Funding and the School Site Council approved the Single Plan for Student Achievement (SPSA) in April 2019. The SPSA included the following: funds to provide support through additional staff for Intervention and English Language Development instruction, Professional Development opportunities for staff, afterschool intervention tutoring, improvement of school climate and student behavior through Soul Shoppe and Positive Behavior Intervention and Supports (PBIS), Social-Emotional Learning (SEL) groups through Solano County Office of Education and supplementary materials and technology to provide additional support to the Common Core State Standards (CCSS). Our programs are adaptable to meet the needs of each child and student enrollment shifts as students achieve learning goals and others are identified to receive assistance.
