**School is closed tomorrow.**

*Hello, Families!*

*Thank you for your understanding when we had to close school and switch to distance learning yesterday. Students seemed to easily make the transition and I think we had the best day possible. I know that it is not easy for you when we cannot open school. I am hopeful that if we continue to follow the COVID safety precautions and social distancing guidelines, we will remain open for the remainder of the school year. Be sure to add any feedback in the Family Check-In using the link below.*
