Please remember to scan your receipts for Box Tops for BCES!

Box Tops is changing to fit today's families. The new and improved Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops to your school's earnings online. No more clipping. No more sending Box Tops to school. All you need is your phone. Just download the all-new Box Tops app, shop as you normally would, then simply scan your store receipts to find participating products. The app automatically credits our school's earnings online. Twice a year we will receive a check to use wherever we need it!
