STUDENTS:

- Has your mama been asking what you have done with that jacket or pullover she bought you? Have you lost a binder or a pair of shoes? The lost and found in front of Mrs. Dean's office is very full. This location is for the entire school, not just elementary grades. Anything left in the locker rooms is also placed there. If you are missing anything at all, please check in the lost and found TODAY!
- Many of you have probably noticed the Huntland Mini Library that has been set up by the sidewalk in front of the school. Anyone from our school or the community is welcome to take a book from the little library. It is our hope that you will either bring that book back when you are finished or bring another book to donate so that someone else might enjoy it! There are books on all reading levels that will be rotated periodically, so check back to see how the selection has changed. We encourage you to use the Huntland Mini Library!
