

Employee Handbook

About this Handbook

The Randolph County School System Employee Handbook has been prepared for all employees. It is designed to include general information on policies, benefits, and procedures. This handbook is limited in size and scope to those matters which are of immediate and recurring concern to teachers, principals, and other staff members. The intent has been to keep it as brief and concise as possible without impairing its usefulness. Other means of communication will supplement the handbook at appropriate times throughout the year. Other resources such as curriculum guides, school improvement plans, and school policies and procedures are available at the school sites.

This handbook summarizes many detailed provisions about employment, benefits, and other related matters, the official policies, regulations, and procedures which will always govern when questions arise. Additionally, nothing in this handbook is intended to create or imply any contract rights.

The Randolph County School System Board Policy Manual is available online on the Randolph County School System [website](#).

The Randolph County School System does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Fair Labor Standards Act Compliance Guidelines

The Randolph County School System complies with the wage and hour requirements of the Fair Labor Standards Act for all nonexempt employees. For the purposes of compliance with the Fair Labor Standards Act, the employee workweek shall be from 5:01 p.m. Friday to 5:00 p.m. Friday.

Employees working in more than one job classification must complete a separate time sheet for each job/position. Any changes must be initialed by both the employee and the supervisor. Employees should obtain permission from their supervisors prior to working overtime in excess of 40 hours in any workweek. Overtime should not be worked except in emergency or extraordinary

circumstances. Supervisors should make every effort to modify an employee's schedule to avoid his/her working more than 40 hours in a given week. Non-exempt employees who do work more than 40 hours in a workweek will be compensated at a rate of not less than one and one-half hours of compensatory time for each one hour of overtime worked. Employees may be required to use compensatory time within a certain period of time and may be prohibited from using compensatory time on certain days. Compensatory time should be used before using annual leave or sick leave.

Hours worked:

- All the work an employee is required or permitted to do by the employer based on the job hired to perform, or related to the job is considered to be hours worked.
- The reason extra hours are worked or whether or not the extra work was scheduled, is not relevant.
- Time traveled between job sites during the normal workday is considered hours worked.
- Lunch time (must be a minimum of 20 minutes) does not count for hours worked. Employees should sign out while taking their lunch break. If the employee is given less than 20 minutes for lunch, the lunch time does count toward hours worked. If an employee continues to fulfill job responsibilities while on lunch break, the time does count toward hours worked.
- If an employee is required to work from home, the time spent working counts toward hours worked. (This should only happen if the employee is responsible for calling substitutes)
- If an employee runs errands for the school or school system during the lunch break, the time counts toward hours worked.
- If an employee arrives early or stays late voluntarily to perform his/her work duties, the time counts toward hours worked.
- Training time counts toward hours worked, if required by the employer.

Volunteer Work

Non-exempt employees may volunteer to work at school events/activities, only if the work is clearly voluntary and if different from the capacity of the employee's regularly assigned duties. Employees **may not** volunteer to perform the same duties/responsibilities they are employed to perform for the school system.

Holidays

Twelve-month employees receive 11 paid legal holidays per year and ten-month employees receive 10 paid legal holidays per year in accordance to the State Personnel Act. The local board of education determines when the holidays are scheduled.

Income Tax Withholding

Federal (Form W-4) and state (Form NC-4) forms may be obtained from the school office or the Finance Office for the purpose of changing income tax withholding information. Changes in exemptions and deductions may be made at any time during the year.

Insurance after Separation from RCSS

Continuation of group health insurance coverage is available to an employee, spouse and/or dependents under the Consolidated Omnibus Budget Reconciliation Act (COBRA) and the Public Health Services Act (PHSA) as required by federal law. For more information concerning the COBRA regulations, please contact the Insurance Specialist at Central Services.
