Report on the Financial Statements

We have audited the accompanying financial statements of Por Vida, Inc. (a nonprofit organization) (Por Vida), which comprise the statements of financial position as of August 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

This page is intentionally left blank

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Por Vida as of August 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2018, on our consideration of Por Vida's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Por Vida's internal control over financial reporting and compliance.

POR VIDA, INC.
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2017 AND 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

Blessed Sacrament Academy Second Chance High School, Inc. was incorporated August 9, 1996. A certificate of amendment was issued February 1, 2001 to reflect the name change to Por Vida, Inc. (Por Vida).

Por Vida, Inc. operates Por Vida Academy (the High School), Corpus Christi College Preparatory High School, and Cesar E. Chavez Academy.

The Por Vida Academy and Cesar E. Chavez Academy provide an alternative high school diploma program to students who did not thrive in the normal high school setting or have returned for a high school diploma after entering the work force. The Corpus Christi College Preparatory High School is a college preparatory high school preparing students to enter into a university immediately following high school graduation. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School operate under an open enrollment charter granted by the Texas State Board of Education. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School are part of the public school system of the State of Texas and are entitled to distribution from the state's available school fund. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School do not have the authority to impose taxes or charge tuition. Por Vida, Inc. does not conduct other charter or non-charter activities.

Por Vida, Inc. is a non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

B. Accounting Policies

The financial statements have been prepared on the accrual basis of accounting. The accounting system is organized under the *Special Supplement to Financial Accounting and Reporting - Nonprofit Charter School Chart of Accounts*, a module of the Texas Education Agency Financial Accountability Resource Guide. The significant accounting policies are as follows:

To ensure observance of limitation and restrictions placed on the use of resources available to Por Vida, the accounts are maintained in accordance with the principles of fund accounting during the year. Resources for various purposes are classified for accounting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, the accompanying statements of financial position and activities focus on the Organization as a whole and report the total assets, liabilities, net assets and changes in net assets.

POR VIDA, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AUGUST 31, 2017 AND 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Accounting Policies (Continued)

The statement of financial position reports the amounts of each of two classes of net assets: temporarily restricted and unrestricted net assets.

- Temporarily restricted net assets result from contributions and other inflows of assets that are limited by donor-imposed stipulations that can be fulfilled and removed by actions of Por Vida, Inc. pursuant to those stipulations.

When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

- Unrestricted net assets are the remaining part of Por Vida's net assets that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations.

C. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks with initial maturity of three months or less.

D. Capital Assets

All assets acquired with a value of \$5,000 or greater are recorded as capital assets and are valued at cost or estimated cost. Donated assets are reported at the fair market value at time of acquisition.

Depreciation of building improvements, vehicles, and equipment is determined on a straight-line basis on the following useful lives:

Land Improvements	15 Years
Building Improvements	6-40 Years
Vehicles	5 Years
Equipment	5 Years

E. Credit Risk

Financial instruments, which potentially subject Por Vida, Inc. to concentrations of credit risk, consist primarily of cash. At August 31, 2017 and 2016, Por Vida, Inc. did not have any uninsured cash balances.

POR VIDA, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AUGUST 31, 2017 AND 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Revenues and Support

Revenues from the state's available school fund are based on reported attendance. Contributions received are recognized as revenue in the period received and are reported as either restricted or unrestricted support.

- Contributions with donor-imposed restrictions are reported as restricted support. Restricted support increases temporarily restricted net assets.
- Contributions without donor imposed restrictions are reported as unrestricted support. Unrestricted support increases unrestricted net assets.

Governmental grant contracts that are entered into by Por Vida, Inc. are recognized as revenue when services are rendered or when the expenses in connection with those services are incurred.

G. Personal Leave

All employees earn between 1 to 10 days of paid personal leave per year depending on the number of days worked. Paid leave must be used during the year or it is forfeited. There is no payment of leave after resignation or termination date; therefore a liability is not recorded at August 31, 2017 and 2016.

H. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain report amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. Fair Value of Financial Instruments

The following methods and assumptions were used by Por Vida, Inc. in estimating its fair value disclosures for financial instruments:

Cash and Receivables: the carrying amounts reported in the statement of financial position approximate the fair value because of the short maturities of those instruments.

NOTE 4: DEFINED BENEFIT PENSION PLAN

Plan Description

The School participates in the Teacher Retirement System of Texas ("TRS"), a public employee retirement system. TRS is a cost sharing, multiple-employer defined benefit plan with one exception: all risks and costs are not shared by the School, but are the liability of the State of Texas. TRS provides service retirement and disability retirement benefits and death benefits to plan members and beneficiaries. TRS operates under the authority of provisions contained primarily in the Texas Government Code, Title 8, Public Retirement Systems, Subtitle C, Teachers Retirement System of Texas, which is subject to amendment by the Texas state legislature. TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit pension plan. The report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701, by calling the TRS Communications Department at 1-800-877-0123, or by downloading the report from the TRS Internet website, www.trs.state.tx.us, under TRS Publications.

Charter schools are legally separate entities from the state and each other. Assets contributed by one charter or independent school district ("ISD") may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer plans. Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement.

Funding Policy

Contribution requirements are not actuarially determined, but are established and amended by the Texas state legislature. The state funding policy is as follows: (1) The state constitution requires the legislature to establish a member contribution rate of not less than 6.0% of the member's annual compensation and a state contribution rate of not less than 6.0% and not more than 10.0% of the aggregate annual compensation of all members of the system; (2) a state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or if the amortization period already exceeds 31 years, the period would be increased by such action. Under provisions in Texas state law, plan members are required to contribute 7.7% and 7.2% of their annual covered salary for each of the years ended August 31, 2017 and 2016, respectively. The state's contribution rate as a nonemployer contributing entity was 6.8% for the years ended August 31, 2017 and 2016. The School's employees' contributions to TRS for the years ended August 31, 2017 and 2016 totaled \$256,678 and \$184,048 respectively, equal to the required contributions for each year. There have been no changes that would affect the comparison from year to year. Other contributions made from federal and private grants and from the charter school for salaries above the statutory minimum were contributed at a rate of 6.8% totaling \$142,559 and \$122,585 for the years ended August 31, 2017 and 2016, respectively.

NOTE 5: DEFINED CONTRIBUTION PLAN

All Por Vida employees may elect to participate in the 403(b) plan. This is a qualified tax deferred annuity plan under Section 403(b) of the Internal Revenue Code. The 403(b) plan consists solely of employee contributions which are made on a "pre-tax" basis.

Employees are fully vested upon entry to the plan.

NOTE 6: HEALTH CARE COVERAGE

During the years ended August 31, 2017 and 2016, employees of Por Vida were covered by a Health Insurance Plan (the Plan). Por Vida, Inc. contributed \$225 per month per employee to the Plan. Employees, at their option, authorized payroll withholdings to pay contributions or premiums for dependents. All premiums were paid to a licensed insurer. During the years ending 2017 and 2016, Por Vida contributed \$118,282 and \$91,072, respectively, for charter employees.

NOTE 7: DUE FROM GOVERNMENTS

Por Vida participated in a variety of federal and state programs from which it received grants to partially or fully finance certain activities. Por Vida received entitlements from the State through the Foundation School Program. Amounts due from federal and state governments as of August 31, 2017 are summarized below. All Federal grants shown below are passed through the TEA or other agencies.

The policy was not violated during the year.

POR VIDA, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AUGUST 31, 2017 AND 2016

NOTE 11: COMMITMENTS AND CONTINGENCIES

Por Vida, Inc. received funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter school have complex compliance requirements, and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or the grantor agency. In the opinion of management, there are no contingent liabilities relating to compliance with the rules and regulations governing the grants; therefore, no provisions have been made in the accompanying financial statements for such contingencies.

NOTE 12: CONCENTRATIONS

Por Vida's funding is concentrated in the foundation school program and various state and federal grants. Discontinued funding would have a severe impact on operations. Por Vida's ability to maintain continuing operations would be uncertain in such a situation. Management does not expect any material reductions in funding in the foreseeable future.

NOTE 13: SHARED SERVICES ARRANGEMENT

During the fiscal year 2017 and 2016, Por Vida, Inc. was a member of the San Antonio Charter Schools Special Education Co-op shared services arrangement (SSA). The Southwest Preparatory Charter School is the Fiscal Agent for the SSA. As a member of the SSA, Por Vida, Inc. received special education (IDEA B Formula) services in the amount of \$70,455 and \$67,333 in 2017 and 2016 respectively, as reported to Por Vida, Inc. by the fiscal agent. In accordance with the guidance provided in the TEA Special Supplement to the Financial Accountability System Resource Guide, Charter Schools, Por Vida has accounted for the special education expenditures within their financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Por Vida, Inc.
San Antonio, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Por Vida, Inc. (a nonprofit organization) (Por Vida), which comprise the statement of financial position as of August 31, 2017, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 24, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Por Vida's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Por Vida's internal control. Accordingly, we do not express an opinion on the effectiveness of the Por Vida's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses or significant deficiencies. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Por Vida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Por Vida's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Por Vida, Inc.
San Antonio, Texas

Report on Compliance for the Major Federal Program

We have audited Por Vida's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Por Vida's major federal program for the year ended August 31, 2017. Por Vida's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Por Vida's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Por Vida's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Por Vida's compliance.

Opinion on the Major Federal Program

In our opinion, Por Vida complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended August 31, 2017.

Report on Internal Control Over Compliance

Management of Por Vida is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Por Vida's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Por Vida's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

POR VIDA, INC.
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED AUGUST 31, 2017

1. For all federal programs, Por Vida, Inc. used the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accounting and Reporting, Nonprofit Charter School Chart of Accounts*. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by a grantor. Federal and state financial assistance is generally accounted for in temporarily restricted net asset codes.
2. Expenditures for the National School Lunch and Breakfast Program are not specifically attributable to the federal revenue source and are on the schedule in an amount equal to federal revenue.
3. The United States Department of Education has given the Texas Education Agency (TEA) authority to issued indirect cost rates for the Texas School Districts and Charter Schools. To recover any indirect costs, the District must request and receive new indirect cost rates for every school year allowed by the Uniform Guidance Part 200.57. The District has elected not to use the 10% deminimis indirect cost rate.
4. There were no awards passed through to subrecipients

Financial Statement Findings

2016-001 Substitute Employees and Federal Withholdings
Type of Finding - Significant Deficiency

Condition: Substitutes used by Por Vida, Inc. were classified as contracted labor and employer portion of the payroll charges were omitted and resulted in understatement of payroll expenses.

Recommendation: Por Vida, Inc. should identify substitute teachers and process their payment through the normal payroll processes and post to the correct payroll expense object code as required by TEA. In addition, payroll taxes for such employees should be accurately accounted for and reported to the Internal Revenue Service.

Current Status: During the fiscal year, Por Vida, Inc. began classifying substitute teachers as employees and processing their payments to the correct expense account and including employer portion of payroll related charges to proper agencies on behalf of the substitute teachers.
