DISTRICT COUNSELOR – MRS. GINA GRESHAM

Mrs. Gina Gresham

YOUR School Counselor

Hello Bearkats! My name is Mrs. Gresham, some of you know me as Jace's mom, and I am YOUR school counselor! I know that this year has been different than ever before, but you have made it through the first semester!

My main office is in the Junior High - High School building, but I LOVE coming over to the Elementary as much as possible. This year we are learning about some very important things! We will be fine tuning our personality by having weekly discussions about Character. Each month will feature a new Character Word. Listen to the announcements and check out the bulletin boards around the HS and JH hallways!

In addition to building our Bearkat Character, I am here to help you with other things like academic, emotional, and social issues. Please reach out to me or a teacher if you need help!

We are here for YOU!!
