

## **Business/Non-Instructional Operations**

### **Local Purchasing**

Local purchasing will be favored whenever the following factors are equal between local and nonlocal vendor:

1. Quality of product
2. Suitability of product
3. Price
4. Conformance to specifications
5. Convenience of delivery
6. General reputation of business firms
7. Past services to school district
8. Responsiveness and customer service
9. Any other factor bearing on the best interests of the school system.
