STUDENT ATTENDANCE, TRUANCY AND CHRONIC ABSENTEEISM

Regular and punctual student attendance in school is essential to the educational process. Connecticut state law places responsibility for assuring that students attend school with the parent or other person having control of the child. To assist parents and other persons in meeting this responsibility, the Interdistrict School for Arts and Communication (ISAAC), through its Executive Director, will adopt and maintain procedures to implement this policy.

In addition, ISAAC takes seriously the issue of chronic absenteeism. To address this issue, ISAAC, through its Executive Director, will adopt and maintain procedures regarding chronic absenteeism in accordance with state law.

I. Attendance and Truancy

A. Definitions for Section I:

1. "Absence" - any day during which a student is not considered "in attendance" at his/her assigned school, or on a school sponsored activity (e.g. field trip), for at least one half of the school day.
2. "Disciplinary absence"- Any absence as a result of school disciplinary action. Any student serving an out-of-school suspension or expulsion should be considered absent. Such absence is not considered excused or unexcused for attendance and truancy purposes.
3. "Educational evaluation" - for purposes of this policy, an educational evaluation is an assessment of a student's educational development, which, based upon the student's presenting characteristics, would assess (as appropriate) the following areas: health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status and motor abilities.
4. "Excused absence" - a student is considered excused from school if the school has received written documentation describing the reason for the absence within ten (10) school days of the student's return to school, or if the child has been excluded from school in accordance with section 10-210 of the Connecticut General Statutes (regarding communicable diseases), and the following criteria are met:
 - a. Any absence before the student's tenth (10th) absence is considered excused when the student's parent/guardian approves such absence and submits appropriate written documentation in accordance with this regulation.
 - b. For the student's tenth (10th) absence and all absences thereafter, a student's absences from school are, with appropriate documentation in accordance with this

regulation, considered excused only for the following reasons:

- i. student illness (verified by an appropriately licensed medical professional);
 - ii. religious holidays;
 - iii. mandated court appearances (documentation required);
 - iv. funeral or death in the family, or other emergency beyond the control of the student's family;
 - v. extraordinary educational opportunities pre-approved by the ISAAC administrators and in accordance with Connecticut State Department of Education guidance and this regulation;
 - vi. lack of transportation that is normally provided by a district or charter school other than the one the student attends.
- c. A student, age five (5) to eighteen (18), whose parent or legal guardian is an active duty member of the armed forces who has been called for duty, is on leave from or has immediately returned from deployment to a combat zone or combat support posting, shall be granted ten (10) days of excused absences in any school year, and, in the discretion of the administration, additional excused absences to visit such student's parent or legal guardian with respect to the parent's leave or deployment. In the case of such excused absences, the student and parent or legal guardian are responsible for obtaining assignments from the student's teacher prior to any period of excused absence, and for ensuring that such assignments are completed by the student prior to his or her return to school.
5. "In Attendance" - Any day during which a student is present at school, or an activity sponsored by the school for at least half of the regular school day.
 6. "Student" - a student enrolled in the ISAAC.
 7. "Truant" - any student **five (5) to eighteen (18)** years of age, inclusive, who has **four (4)** unexcused absences from school in any

one month or **ten (10)** unexcused absences from school in any school year.

8. "Unexcused absence" - any absence from a regularly scheduled school day for at least one half of the school day, which is not excused or considered a disciplinary absence.

The determination of whether an absence is excused will be made by the building principal or his/her designee. Parents or other persons having control of the child may appeal that decision to the [Executive Director] or his/her designee, whose decision shall be final.

B. Written Documentation Requirements for Absences

1. Written documentation must be submitted for each incidence of absence within ten (10) school days of the student's return to school. Consecutive days of absence are considered one incidence of absence.
2. The first nine (9) days of absence will be excused upon receipt of a signed note from the student's parent/guardian, a signed note from a school official that spoke in person with the parent/guardian regarding the absence, or a note confirming the absence by the school nurse or by a licensed medical professional, as appropriate.
3. For the student's tenth (10th) absence, and all absences thereafter, documentation of the absence must be submitted in accordance with paragraphs 1 and 2 above, and must also include the reason for the absence and the following additional information:
 - a. student illness:
 - i. a signed note from a medical professional, who may be the school nurse, who has evaluated the student confirming the absence and giving an expected return date; or
 - ii. a signed note from school nurse who has spoken with the student's medical professional and confirmed the absence, including the date and location of the consultation.
 - b. religious holidays: none.

- c. mandated court appearances:

 - f. lack of transportation that is normally provided by a district or charter school other than the one the student attends.
4. Neither e-mail nor text message shall serve to satisfy the requirement of written documentation. In rare and extraordinary circumstances, a building administrator may, in his/her own discretion, accept the delivery of written documentation through a scanned copy sent by e-mail.
5. The ISAAC reserves the right to randomly audit written documentation received, through telephone and other methods of communication, to determine its authenticity.
6. Any absence that is not documented in accordance with this regulation within ten (10) school days after the incidence of absence will be recorded as unexcused. If documentation is provided within ten (10) school days, but is incomplete, the Executive Director may, at his/her own discretion, grant up to a five (5) school day extension for provision of the completed documentation.

C. Extraordinary Educational Opportunities

1. To qualify as an extraordinary educational opportunity, the opportunity must:
 - a. be educational in nature and must have a learning objective related to the student's course work or plan of study;
 - b. be an opportunity not ordinarily available to the student;
 - c. be grade and developmentally appropriate; and
 - d. include content that is highly relevant to the student; while some opportunities will be relevant to all students, others will contain very specific content that would limit their relevance to a smaller group of students.
2. Family vacations do not qualify as extraordinary educational opportunities.
3. All requests for approval of extraordinary educational opportunities must:
 - a. be submitted to the Executive Director in writing prior to the opportunity, but no later than ten (10) school days prior to the opportunity except in exceptional circumstances at the discretion of the building administrator;

 - b. brief reason for any denial;

- c. any requirements placed upon the student as a condition of approval;
 - d. the specific days approved as excused absences for the opportunity;
 - e. the understanding that the building administrator may withdraw its approval if the opportunity is canceled or the student fails to meet the agreed-upon requirements of the approval.
5. All decisions of the Executive Director relating to extraordinary educational opportunities shall be final.
 6. Students who are granted excusal from school to participate in extraordinary educational opportunities are expected to share their experiences with other students and/or school staff when they return.
 7. Approval for an extraordinary educational opportunity is determined on a case-by-case basis and the analysis of individualized factors. An opportunity approved for one student may not be approved for another.

D. Truancy Exceptions:

1. A student **five (5) or six (6) years of age** shall not be considered truant if the parent or person having control over such student has appeared personally at the ISAAC office and exercised the option of not sending the child to school at five (5) or six (6) years of age.
2. A student **seventeen (17) years of age** shall not be considered truant if the parent or person having control over such student consents to such student's withdrawal from school. Such parent or person shall personally appear at the ISAAC office and sign a withdrawal form indicating such consent. Such withdrawal form must include an attestation from a guidance counselor or school administrator from the school that the ISAAC provided the parent (or person having control of the child) with information on the educational options available in the school system and community.
3. If a parent or guardian of an expelled student chooses not to enroll the student in an alternative program, the student shall not be considered to be "truant."

E. Readmission to School Following Voluntary Withdrawal

1. Except as noted in paragraph 2 below, if a student voluntarily withdraws from school (in accordance with Section D.2, above) and subsequently seeks readmission, the ISAAC may deny school accommodations to the student for up to ninety (90) school days from the date of the student's withdrawal from school.
2. If a student who has voluntarily withdrawn from school (in accordance with Section D.2, above) seeks readmission within ten (10) school days of his/her withdrawal, the ISAAC shall provide school accommodations to the student not later than three (3) school days after the student requests readmission.

F. Determinations of Whether a Student is "In Attendance":

1. A student serving an out of school suspension or expulsion shall be reported as absent unless he or she receives an alternative educational program for at least one half of the regular school day. In any event, the absence is considered a disciplinary absence, and will not be designated as excused or unexcused.
2. On early dismissal days and days shortened due to inclement weather, the regular school day for attendance purposes is considered to be the amount of instructional time offered to students on that day. For example, if school is open for four hours on a shortened day scheduled, a student must be present for a minimum of two hours in order to be considered "in attendance."
3. Students placed on homebound instruction due to illness or injury in accordance with applicable regulations and requirements are counted as being "in attendance" for every day that they receive instruction from an appropriately certified teacher for an amount of time deemed adequate in accordance with applicable law.

G. Procedures for students in grades K-8*

1. Notification
 - a. Annually at the beginning of the school year and upon the enrollment of any child during the school year, the administration shall notify the parent or other person having control of the student enrolled in grades K - 8 in writing of the obligations pursuant to Conn. Gen. Stat. §10-184 to ensure that such a student attends school regularly or to show that the child is elsewhere receiving equivalent instruction in the studies taught in the ISAAC.

- b. Annually at the beginning of the school year and upon the enrollment of any child during the school year, the administration shall obtain from the parent or other person having control of the student in grades K-8 a telephone number or other means of contacting such parent or other person during the school day.

2. Monitoring

Each school shall implement a system of monitoring individual unexcused absences of students in grades K-8. Whenever such a student fails to report to school on a regularly scheduled school day, school personnel under the direction of the building principal **or his/her designee** shall make a reasonable effort to notify the parent or other person having control of such student by telephone and by mail of the student's absence, unless school personnel have received an indication that the parent or other person is aware of the student's absence. **Reasonable efforts shall include two (2) attempts to reach the parent or other person at the telephone number provided by the parent or other person. Such attempts shall be recorded on a form provided by the Executive Director.** Any person who, in good faith, gives or fails to give such notice shall be immune from liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give notice.

- H. Procedures applicable to students ages five (5) to eighteen (18)

1. Intervention

- a. When a student is truant, the building principal or his/her designee shall schedule a meeting with the parent (or other person having control of such student) and appropriate school personnel to review and evaluate the reasons for the student's truancy. This meeting shall be held no later than **ten (10) days** after the student becomes truant. The ISAAC shall document the meeting, and if the parent or other person declines to attend the meeting, or is otherwise non-responsive, that fact shall also be documented and the meeting shall proceed with school personnel in attendance.
- b. When a student is truant, the Executive Director or his/her designee shall coordinate services with and referrals of students to community agencies providing child and family services, as appropriate. ISAAC shall document efforts to

contact and include families and to provide early intervention in truancy matters.

- c. If the Commissioner of Education determines that the ISAAC has a disproportionately high rate of truancy, the school shall implement a truancy intervention model identified by the Department of Education pursuant to Conn. Gen. Stat. § 10-198e.
- d. In addition to the procedures specified in subsections (a) through (c) above, a regular education student who is experiencing attendance problems should be referred to the building Student Support Team to consider the need for additional interventions and/or assistance. The Team will also consider whether the student should be referred to a planning and placement team (“PPT”) meeting to review the student's need and eligibility for special education. A special education student who is experiencing attendance problems should be referred to a PPT meeting for program review.
- e. Where the documented implementation of the procedures specified in subsections (a) through (d) above does not result in improved outcomes despite collaboration with the parent/guardian, the Executive Director or his/her designee may, with written parental consent, refer a student who is truant to a Youth Service Bureau.

I. Attendance Records

All attendance records developed by ISAAC shall include the individual student's state-assigned student identifier (SASID).

II. **Chronic Absenteeism**

A. Definitions for Section II

1. “Chronically absent child” - a child who is enrolled in ISAAC and whose total number of absences at any time during a school year is equal to or greater than ten percent (10%) of the total number of days that such student has been enrolled at such school during such school year;
2. “Absence” - an excused absence, unexcused absence or disciplinary absence, as those terms are defined by the State Board of Education pursuant to section 10-198b of the general statutes and these administrative regulations;

3. “Chronic absenteeism rate” - the total number of chronically absent children enrolled at ISAAC in the previous school year divided by the total number of children enrolled at ISAAC for such school year; and
4. “School chronic absenteeism rate” - the total number of chronically absent children for the school in the previous school year divided by the total number of children enrolled in such school for such school year.

B. Establishment of Attendance Review Teams

If ISAAC has a chronic absenteeism rate of fifteen percent (15%) or higher, it shall establish an attendance review team for the school.

C. Composition and Role of Attendance Review Teams

Any attendance review team established under these regulations may include school administrators, guidance counselors, school social workers, teachers, representatives from community-based programs who address issues related to student attendance by providing programs and services to truants, as defined under I.A.7, and chronically absent children and their parents or guardians.

The attendance review team shall be responsible for reviewing the cases of truants and chronically absent children, discussing school interventions and community referrals for such truants and chronically absent children and making any additional recommendations for such truants and chronically absent children and their parents or guardians. Each attendance review team shall meet at least monthly.

D. State Chronic Absenteeism Prevention and Intervention Plan

ISAAC and its attendance review team, if any, will consider any chronic absenteeism prevention and intervention plan developed by the State Department of Education.

III. Reports to the State Regarding Truancy Data:

Annually, ISAAC shall include information regarding the number of truants and chronically absent children in the strategic school profile report for each school under its jurisdiction submitted to the Commissioner of Education. Measures of truancy include the type of data that is required to be collected by the Department of Education regarding attendance and unexcused absences in order for the department to comply with federal reporting requirements and the actions taken by the ISAAC to reduce truancy in the school.

SAMPLE NOTIFICATION REGARDING STUDENT ATTENDANCE*

Regular and punctual student attendance is essential to the educational process. Connecticut General Statutes Section 10-184 provides that "[e]ach parent or other person having control of a child five years of age and over and under eighteen years of age shall cause such child to attend a public day school regularly during the hours and terms the public school in the district wherein such child resides is in session, unless such child is a high school graduate or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools. . . . The parent or person having control of a child seventeen years of age may consent, as provided in this section, to such child's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form. Such withdrawal form shall include an attestation from a guidance counselor or school administrator of the school that such school district has provided such parent or person with information on the educational options available in the school system and community. The parent or person having control of a child five years of age shall have the option of not sending the child to school until the child is six years of age and the parent or person having control of a child six years of age shall have the option of not sending the child to school until the child is seven years of age. The parent or person shall exercise such option by personally appearing at the school district office and signing an option form. The school district shall provide the parent or person with information on the educational opportunities available in the school system."

In order to assist parents and other persons in meeting this responsibility, the ISAAC monitors unexcused student absences and makes reasonable efforts to notify parents or other persons by contacting them when a student fails to report to school. State law provides that any person who, in good faith, gives or fails to give such notice shall be immune from any liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give such notice. ISAAC, therefore, must obtain a telephone number or other means of contacting parents or other persons during the school day.
