4th Grade Day at the Museum Feb. 26

HOUSTON COUNTY, GA - The annual *Day at the Museum* for Gifted and Talented Education (GTE) fourth graders will be held Feb. 26, 2020, at the Cary W. Martin Conference Center. Children from 20 elementary schools will participate in one of two sessions, either 9:30 to 11:00 a.m. or 12:00 to 1:30 p.m. A total of 458 children are expected to participate.

The GTE students will act as museum curators as they display their products and performances for their museum visitors, parents, grandparents and friends. This event celebrates their learning and work beyond the basics through E³ - Extension, Enrichment and Enhancement. Visitors will see evidence of student achievement, creativity and critical thinking as they showcase the results of engagement of learning, enthusiasm for learning and enjoyment of learning.
