

**Monday Memo**

*From the Principal's Desk*

**Greetings:**

Last week our scholars received their active student account information. Progress reports were available through Active Parent and paper reports are being mailed. This week we will have Open House on Thursday, September 17, 2020 at 5:30pm.

**Attendance**

Students must attend class daily with at 240 minutes of instructional time. Students without internet access must complete and return the instructional packets weekly to be considered present for the week.

**Canvas Transition**

We are in the process of transitioning from Google Classroom to Canvas. Canvas is the school's online learning environment where students will connect to teachers, submit assignments, and view grades. You will receive a notice prior to the final transfer from Google Classroom to Canvas.

Although Covid-19 has socially distanced us, we are JCUE strong no matter the distance! The Upper Elementary team is here for support and you are encouraged to contact us for assistance as you work alongside our scholar.

**Teamwork, Collaboration, and Success!**
