

The breakfast counts will be based on the previous weeks' breakfast forms until further notice. Your child will continue to receive breakfast if he or she ordered on the previous weeks' breakfast forms. If your child is a new student or now wants to receive breakfast, your child can inform his or her homeroom teacher and then will receive breakfast. Please contact Ms. Connolly, Food Services Supervisor at (609) 522-1454, extension 624 with any questions.
