

**POLICY TITLE: Administrative
Appointment**

POLICY NO: 302

PAGE 1 of 1

Certified and non-certified district administrators may be appointed by the board of trustees as determined necessary. Such individuals are directly responsible to the superintendent and shall perform those duties set forth in the specific job descriptions.

All certified district administrators shall be employed using the appropriate contract approved by the State Superintendent of Public Instruction, and shall be properly certified for the position.

All certified and non-certified district administrators shall receive the same benefits as other employees within the district.
