

# QCES WEEKLY LEARNING PLAN

May 4-8	Monday	Tuesday	Wednesday	Thursday	Friday
Pre-K					
ELA/Phonological Awareness-Go over the alphabet and letter sounds daily.	Have your child clap out the syllables in his/her name. How many claps (syllables) are in the names of family members and friends?	Have your child come up with as many rhyming words as he/she is able with the following words: bunch, know, roam, true, space.	Have your child give you one word for different sounds of the alphabet to fill in the following blank: There was an old dragon who swallowed a _____. (For example, cookie or car for the C sound, doll for the D sound, or nut for the N sound).	Write the words all, fall, call, ball, wall, tall, fly, by, try, spy, sky, and why on index cards or small squares of paper. Read the words with your child and sort them by rhyming groups.	Review alphabets and their sounds.
Literacy-Please read with/to your child daily	Read a story with your child and ask them questions about the story. Have your child draw a picture about the story.	Have your child dictate a list of rules to follow when visiting the library. Once the rules are written, have him/her add pictures to the list and explain why these rules are important.	Read a story with your child and ask them questions about the story. Go over the author, illustrator, character, setting, and parts of a story.	Read a story with your child and ask them questions about the story. Have your child draw a picture of what happened in the story.	Read a story with your child and ask them questions about the story. Have your child draw his/her favorite character from the story.
Outside Science	Fill a sink halfway with water. Have your child gather household items that will fit in the sink and predict which items will sink and which will float, then test	<b>Fine Motor</b> -Help build those fine motor skills! Let your child use kitchen tongs or pliers to pick up different items in your home, such as small toys, books, and magazines.	<b>Fine Motor</b> -Place a small amount of shaving cream or pudding on a cookie sheet or other flat dish with edges. Encourage your child to write letters, words, names, and	Go on a noticing nature walk. Walk with your child, at his/her pace, and encourage him/her to use all 5 senses to pay attention to his/her environment.	Lie down and watch the clouds with your child. When you go back inside, have your child draw objects he/she saw in the sky.

# QCES WEEKLY LEARNING PLAN

	each item in the sink. Some ideas to test: an eraser, fruit, vegetable, coin, bottle top, marshmallow, plastic egg, foam toy, and plastic toy.		even draw his/her own dragon!		
Math-Count 0-20 daily	Find a small household item such as a block, button, game piece, or other small item. Use directional words and have him/her place the item in the correct space according to the directions. Examples: over, under, beside	Using a small household item or toy, let your child use this item to measure other household items. For example, use a crayon, and then ask, "How many crayons long is the television, computer screen, bed, sofa, and other items in the house?"	Have your child set the table for a meal today. Discuss how many people will be eating together at the table and remind him/her that each person will need a plate, fork, knife, spoon, napkin, and cup. Discuss how many of each item he/she will need to set the table.	Give your child a stuffed animal and ask him/her to place it in different locations using positional words. Example: Please place the stuffed animal under the chair or please place the stuffed animal on top of the table.	Invite your child to guess how many steps he/she will need to take to get to a specific place or room (kitchen, window, door) in the house. Help count the steps. Discuss his/her predictions.
Additional Resources:	Istation, YouTube, Starfall  *Continue to do the daily activities as listed on page #2 of the original packet.				
<b>Kindergarten</b>					
<b>ELA – 180 Days of School-Reading, reading log</b>	Week 13 Days 3, 4, and 5 pgs. 89-92.	Week 14 Days 1 and 2 pgs. 93-94.	Week 14 Days 3, 4, and 5 pgs. 95-98.	Week 15 Days 1 and 2 pgs. 99-100.	Week 15 Days 3, 4, and 5 pgs. 101-104.
<b>Math - 180 Days of School-Math</b>	Day 59 page 69, Day 60 page 70 (except #5).	Day 61 page 71 (except #4), Day 62 page 72.	Day 63 page 73, Day 64 page 74.	Day 65 page 75, Day 66 page 76.	Day 67 page 77 (except #5), Day 68 page 78.
