

CHAPTER 4.00 - CURRICULUM AND INSTRUCTION

SPECIAL STUDENT EDUCATION

4.11

The Board will provide educational and related services to exceptional students, within the Board's school district, encompassing any child who requires special instruction or related services to take full advantage of or to respond to educational programs and opportunities because of a physical, mental, emotional, social, or learning exceptionality, as determined by a multi-disciplinary team which reviews psychological, educational, and/or physical evaluation results provided by qualified specialists. Exceptional students include students with mental retardation, hearing impairments (including deafness), speech or language impairments, visual impairments (including blindness), emotional disturbance, orthopedic impairments, autism, traumatic brain injury, other health impairments, or specific learning disabilities and students who are classified as gifted.

- I. Upon recommendation of the Superintendent, the Board shall annually adopt a plan for the provision of education programs for all students with disabilities and gifted students.
- II. The annual plan for special programs and procedures for exceptional students shall include: screening procedures, pre-referral activities, referral procedures, eligibility criteria, program placement, program dismissal, and descriptions of program organization and operations.
- III. The special student education program shall conform to the provisions adopted by the Board and shall function in accordance with the provisions of state and federal law, State Board of Education rules, and other applicable provisions of Board rules.
