FOR FOSTER YOUTH

& ALUMNI (age 14-26)

A NEW LAW has passed that provides funding to help current and former foster youth in Colorado

Independent living services to assist with basic needs like food, access to technology and other expenses.

Extended foster care so that you don't age out during the pandemic. It's hard enough to transition to adulthood!

Housing assistance and more resources to help you get into (or keep) your home.

Re-admission into foster care including options that allow you to live in a safe place you help choose.

Transportation support to help you get where you're going.

Higher education assistance through the Education and Training Voucher (ETV).
