

## All students are invited to participate in the Full Tummy Project!!

The Full Tummy Project is a partnership with the outreach ministries of several local churches to offer nutritional support for your student—free of charge. The hope of the project is to assist you by supplementing the nutritional needs of your children with a package of kid-friendly foods to take home for the weekend.

Each Friday your student could bring home a bag filled with:

- |                   |                       |              |
|-------------------|-----------------------|--------------|
| 2 breakfast items | 2 snack items         | 1 fruit item |
| 2 drink items     | 1 treat               |              |
| 2 meat items      | 1 package of crackers |              |

If you feel your student could benefit from this program complete the form below and have your student return it to his/her teacher.

**Only one form is needed for all the children in your family—  
be sure to include information for each student.**

This information is kept confidential. Once your child is signed up, they will receive a bag each week of the school year until they move or until you notify us that they no longer wish to participate.
