

Patriot Challenge #1
March 17, 2020
Happy St. Patrick's Day
(Are you wearing green?)

Word of the Day

What does this word mean?

optimistic

Quote of the Day

We all have a duty--a duty to try to be the best we can be.

Abraham Lincoln

Smile of the Day

From JibJab

Math of the Day

How many different ways can you get the number 17 as your answer while only using addition and subtraction and using no numbers greater than 25?

Example:

$$10 + 7 = 17$$

$$20 - 3 = 17$$
