

Mrs. Harp & Ms. Skinner's Behavior Plan

2021.2022

Student behavior will be documented in Class Dojo. All parents will receive an invite from us via email for Class Dojo. We strongly encourage you to go ahead and signup for the Class Dojo app as this is the preferred platform for communication and behavior documentation at DPES. You will also know instantly when your child has received a positive or negative Dojo point which will ensure that both parents and teachers are aware of a child's behavior and can work together to correct negative behavior and celebrate the positive.

Expectations

1. Respect others & their property.
2. Remain on task & complete assignments without distracting others.
3. Come to class with necessary materials.
4. Tell the truth & do your best!

Rewards

Each week students have the opportunity to have 30 minutes of Fun Friday. Students will have 6 positive points each week. Each Dojo point is worth five minutes each, which is equivalent to thirty minutes of Fun Friday each week. Students can also earn extra points for outstanding behavior.

Consequences

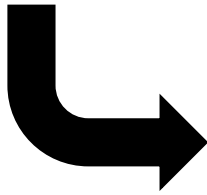

Each nine weeks the students' Dojo points will restart. The following information shows the order in which consequences for poor behavior will be documented, communicated to parents, and if needed, communicated to the Assistant Principal.

- 1.) Each week students have the opportunity to have 30 minutes of Fun Friday. Every negative Dojo point is equal to five minutes off of their Fun Friday time. If a student has 3 negative Dojo points in a week, which means they lost half their time, parents will be contacted and the teacher will start the office referral.
- 2.) The second time a student loses 3 Dojo points in a week the parents will have a conference with the teachers.
- 3.) The third time a student loses 3 Dojo points in a week the teachers will turn in a office referral to the assistant principal.

*Students can lose points for unacceptable behavior. Please note that some infractions are -1pt while others are -3pts. The infractions that are -3pts are considered more severe and therefore carry more weight than a less severe offence.

Here's a look at the negative infractions
