

SUMMER Message from North Canaan Elementary School

Friday, August 14, 2020

Click on the blue highlighted links.

Hello, Families,

The school year is almost upon us and, like you, we are getting ready. Will you help us? One thing we are doing to get ready is making some videos. This is where we need help from YOU!

We want students to be a part of welcoming everyone back to school. If you are willing to participate in our Region One is Back! video, please [click here](#) to access our Flipgrid, which will collect the videos and includes easy-to-follow directions.

*We would love to have as many students involved as possible, but we need to put everything together, so we are asking you to submit any video message you want to share no later than next **Friday, August 21**.*

We can't wait to see your smiling faces!

*Please **complete two forms by the end of the day Sunday** (if you have not already):*

1. [NCES Data Collection Message](#):
Next week we will begin to call families if we do not hear from you as we need the information to plan our classrooms.
2. [Reopening Plan - North Canaan Details- Fall 2020](#): Page one of the plan includes the following link:
[Confirmation of Reading the NCES Plan](#). Please click this link after you have read the plan.

The COVID page of the website also includes the following link to the recording of Tuesday's Community Meeting:
