Dear Parent/Guardian:

The purpose of this is to let you know that Lake Wales Charter Schools will provide information to you regarding your child's teacher and paraprofessional qualifications in a timely manner upon request.

You have the right to request the following information:

- Whether the teacher has state licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which state qualification of licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether your child is provided service by paraprofessionals, and, if so, their qualifications.

You will be notified in writing if your child has been assigned or has been taught for more than four consecutive weeks by a teacher who has met the No Child Left Behind "highly qualified" criteria. The information regarding the qualifications of your child's teacher and/or classroom paraprofessionals may be obtained from your child's principal.

Please be assured that Lake Wales Charter Schools are dedicated to providing your children a quality education.

Sincerely,

Jesse Jackson
Superintendent
