Lake Havasu Unified School District Student COPPA Opt-Out Form

Dear Parents of school-aged children under the age of 13,

In order for schools within the Lake Havasu Unified School District to continue to be able to provide your students with the most effective web-based tools, software and applications for learning, our district utilizes several technology applications and web-based services, operated not by this district, but by third parties.

In order for our students to use these programs and services, certain personal identifying information must be provided to the web site operator.

Under federal law entitled the Children's Online Privacy Protection Act (COPPA) these websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. Parent notification and consent is on the Student IT Use Agreement Form.

It should be noticed as LHUSD moves forward in providing your child a relevant education providing integrated technology and 21st Century Learning Skills that requesting removal from third party services will limit the student in utilizing technology.

USE THIS FORM ONLY IF YOU WANT TO **EXCLUDE** your student from utilizing and accessing third party technology applications and web-based services. This form must be completed and returned to the school your child attends.

School Name (Please Print): _____

Student's Name (Please Print): _____

Parent's Signature: _____ Date: _____
