- **Approval of Minutes**

- Minutes were presented from the last meeting
- Motion to approve past minutes made by Ashley Osier; Second: Lachandra Cayton

- **New ELA Curriculum and resources**

- Training/ Grade Level Meeting during PL on February 16, 2021

Feedback:

Kindergarten: Helpful structure, able to make posters for each classroom

2nd Grade: not a lot different: however, it puts the same terminology with the layout that meets all Grade Level needs.

4th Grade: Structure for all teachers and resources; better for our group of students, on level to meet our student's needs.

Sped Department: helpful, the flow is very familiar, having the resources fit with the curriculum.

- **Map Growth Results**

- Meeting with 1st- 5th February 23, 2021 to discuss results (Grade Level and individual classrooms) comparing countywide results.
- Parkwood's achievement is in the lower 3rd of the county.
- Growth is solid

- Parent Comment: Ashley Osier, as a parent getting updated phone call from the teacher is a great welcome. She wanted to thank the teachers for doing that; it is much appreciated.

- **Adjourn**

- Meeting adjourned
