The Superintendent or designee shall:

1. Cooperate through announcements and distribution of program material, with a town agency or recognized non-profit organizations that benefit students and their families when such cooperation will not interfere, restrict or impair the educational program of the schools.

The appropriate Principal or designee shall:

1. Permit participation, which participation shall be at the option of the individual schools, in essay, art, science and similar contests sponsored by outside interests when such activities parallel the curriculum and contribute to the educational program.
