**Notes from The Superintendent**

The 2020-21 school year has ended and we want to take this opportunity to congratulate the Senior Class of 2021 on their graduation. We are proud of their accomplishments and wish them all the best in the future. In addition, we would like to thank our students, staff, parents, and community for their support and cooperation this past year as we persevered through a global pandemic. As a community we can be proud that we provided in person learning throughout most of the school year and did it safely. At Chadwick-Milledgeville CUSD #399 we firmly believe in our motto “The Best or Nothing!” Our students deserve the best in everything that we do and offer.

K-8 report cards were completed by the teachers and sent home with the students on their last day of attendance May 26, 2021. High School report cards will be available June 1-4, 2021 and can be picked up in the high school office from 8:00 AM until 3:00 P.M. All fees for books, lunches, library fines, and so on, must be paid before report cards can be issued. Questions about report cards should be directed to the Milledgeville School office.

This is the last Newsletter for the year. Please watch for the August/September Newsletter insert in the Prairie Advocate. Have a great summer vacation!

Sincerely,  
Tim J. Schurman, Superintendent

**Counselor’s Corner**

This has been a great year, and I will miss the graduating seniors. I wish you all luck in everything you do! If anyone needs anything, I will be available through June 4. Graduating seniors, please do not forget to have your transcripts from Sauk sent to your college/university. I will send your high school transcripts, but you must send the Sauk transcripts yourself.  
<https://www.svcc.edu/students/admissions/records/transcript-requests.html>

It is also never too early to start your college planning - use the summer to go on college visits and prepare initial college applications. If you are going to a 4-year university, early admission deadlines are usually around November 1. Any junior going to college will want to sign up for the ACT at [www.actstudent.org](http://www.actstudent.org) if they were not happy with their SAT score.
