

Welcome to Teaching as a Profession!

Teaching as a Profession I (TAP I) is an intermediate course for students interested in learning more about becoming a teacher, school counselor, trainer, librarian, or speech-language pathologist. This course covers the components of instruction, teaching strategies, types of assessments, student learning, special populations, and educational technology.

Google Classroom Code: e2yx7fh

Materials Needed:

- Chromebook (provided by the school) or personal laptop
- Paper and Pen or Pencil
- Binder, notebook, folder, to keep your notes
- Teaching as a Profession Textbook (Provided by the school)

Types of Activities:

- Great Start
 - * Each day you will begin by writing a short response to a question posted on the screen
- Notes:
 - * We will take notes and discuss ideas and concepts concerning the field of Education. The notes will help you with the other assignments you need to complete.
- Vocabulary Quizzes:
 - * We will have vocabulary quizzes that will cover ALL terms we cover throughout the year.
- Presentations:
 - * Throughout the year, you will present ideas, topics, and concepts of education. These will either be done by yourself, or with a group.
- Artifact:
 - * For each Unit, you will be required to construct an artifact. This will be a document, presentation or other assignments. There will always be 1-2 days in class for you to work on this assignment.

Breakdown of Grade:

Artifact:	50%
Vocabulary Quizzes:	40%
Presentations:	20%
Great Start:	10%
