

A. Food and Beverages in Schools			
Food Safety	Fully in Place	Partially in place	Comments/Action taken or needed
1. All food sold/served to students is prepared in health inspected facilities under the guidance of certified staff.	x		
2. Students are provided access to hand washing or hand sanitizing before meals or snacks	x		
Scheduling of Meals			
3. Pleasant eating environments - where there is plenty of seating and students do not feel rushed during meals.	x		
4. Students are provided with at least 10 minutes to eat after sitting down for breakfast and 15 minutes to eat after sitting down for lunch.	x		
5. Accommodations are provided for students who need more time to finish their lunch.	x		
6. Meal periods are scheduled at appropriate times. Lunch should be served between 10:50 AM and 1:00 PM	x		
7. Lunch periods are <u>after recess</u> in elementary schools in order to increase student nutrient intake and reduce food waste.	N/A		
8. Offering attractive dining areas which have enough space for seating all students scheduled for that meal period.	x		
9. Schools will evaluate their open campus (secondary schools) policy taking into consideration the food choices that students make when they are able to leave campus.	x		Lake Wales High School is a closed campus with the exception of OJT and dual enrolled students. We discourage these students from bringing outside foods (fast foods) onto campus.

Adopted:

	Fully in Place	Partially in Place	Comments/Actions taken or needed
10. Participation in the universal lunch program is encouraged, including measures to arrange bus schedules to increase student access, "grab and go" breakfasts, breakfast in the classroom, or breakfast during morning break.	x		Lake Wales High School began a grab and go breakfast cart program that allows students that normally would not participate in the breakfast program the opportunity to get breakfast on their way to class.
Food and Behavior			
11. Foods or beverages are NOT used as rewards for academic performance or good behavior (unless this practice is allowed by a student's individual education plan, behavior intervention plan, or a 504 Individual Accommodation Plan).	x		
Fundraising			
12. Fundraising is supportive of healthy	x		
13. Fundraising activities involving the sale of food will take place outside the school day (school day is defined as 1/2 hour before school starts until after the school bell rings at the end of the school day) and must meet the smart snack nutritional guidelines.	x		
14. Students and staff are prohibited from personal fundraising efforts that include the sale of foods or beverages on campus.	x		
15. Records are kept for all exempt fundraisers and the number does not exceed the maximum allowable. Elementary - 5 days, Middle - 10 days and High School - 15 days.	x

	Fully in Place	Partially in Place	Comments/Actions taken or needed
16. External Organizations, parents, and others using school property are notified of the "healthy" fundraising policy.	x		Fundraising policy requirements are available in the school Wellness Policy.
Celebrations			
17. Classroom celebrations encourage healthy choices and portion control.	x		
Sharing Foods and Beverages			
18. Sharing of foods and beverages is not allowed.	x		
Snacks			
19. Only "smart snack" options are offered in vending machines, school stores, concessions stands, a la carte lines and classrooms. Choices meet guidelines for foods sold outside reimbursable meals and portion size.	x		
Foods Sold Outside of the Reimbursable Meals Menus			
20. Foods sold meet these guidelines: <u>Elementary schools</u> - reimbursable mean menu items, fruits; vegetables; low-fat dairy items, yogurt.	N/A		
21. <u>Middle School & High Schools</u> - Reimbursable meal menu items; Foods that contain 7 grams of fat or less per serving; Foods that do not have sugar or other caloric sweeteners as the first ingredient.	x

27. Health Education, including nutrition education, is delivered by a licensed elementary (k-5) or Health Education (7-12) in grade level bands: K-2, 3-5, 6-8 and 9-12.	x		
28. Nutrition Education is integrated throughout the school day and after school programs.	x		
29. Cafeteria is used as a "learning laboratory" and includes enjoyable, developmentally age-appropriate, participatory activities such as taste tests, promotions, farm visits to farms and gardens.		x	The high school has participated in taste tests and various promotions to help increase participation in the breakfast and lunch program. We will be working with our agriculture department to develop a garden learning lab to increase student awareness of the nutritional/health benefits of fruits and vegetables.
30. Nutrition Education is culturally relevant and teaches students about cross-cultural nutrition.	x		
31. MPS Food & Nutrition Services & other community agencies collaborate with teachers to reinforce nutrition education lessons taught in classroom.		x	
31. Provide and promote nutrition education to families and the broader community in cooperation with such agencies as WIC, Community Health Clinics, ECFE, Adult Education and other community organizations.		x	
32. Encourage families through newsletters, School Advisory Council, homework assignments, parent-teacher meetings, health fairs, etc. to make healthy food choices and lead a healthy lifestyle.	x		
33. Staff is trained in stress management, nutrition education and has been provided general wellness resources and opportunities.	x

C. Physical Activity			
Physical Education			
34. Provides all ELEMENTARY students with 150 minutes per week of physical education throughout the entire year.	N/A		
35. Provides all MIDDLE/HIGH School students with 225 minutes per week for the entire school year.	N/A		Lake Wales High School offers and extended lunch period for students to participate in physical activities.
36. Schools maintain a graduation requirement of <i>two credits</i> of both Health and Physical Education in high school.	X		As required by the state progression pain.
37. School has physical education electives available to high school students and is working to increase offerings.	X		Lake Wales High School is always looking for activities that may increase a student's involvement in physical activity. We are currently looking at adding Lacrosse to our athletic program.
