Riverside Elementary School's Parent Resource Page
<https://www.westernline.org/parentresourcepage>

Parents,

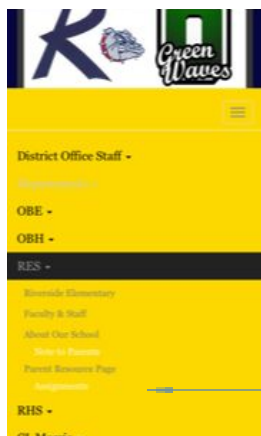

Part of our efforts to keep you and your child safe is to eliminate the need to visit the school to get packets or assignments for your child. In doing so, we are asking that your child complete IReady lessons online or use the Parent Resource Page to download the packet. If you do not have access to print the pages, you can open the link and allow your child to write his/her answers on regular paper.

Accessing Packets through Cell Phone, Tablet, or Ipad

STEP 1: Go to westernline.org. Then click on the image

STEP 2: Afterwards click RES, Parent Resource Page

STEP 3: Then click on the preferred grade level

Accessing Packets through Xbox

STEP 1: Go to "my apps and games" on your XBOX. If you do not already have "Microsoft Edge" downloaded, go to the "apps" section. There will be a magnifying glass- use this to search for "Microsoft Edge" and download.

STEP 2: Once you open the "Microsoft Edge" app, type "<https://www.westernline.org/parentresourcepage>" in the search bar.

STEP 3: Use the cursor to click on the preferred grade level.

Thank you for your continued support,

Daphne Young
