### 5A State Runners-up

### Principal's Corner

It is a new year and new beginning for our students.  
Please take time daily to talk your child about their  
academics. Set goals with your child about their work.  
The expectation in my house is the same for all of our  
students and that is a 95 or better. Please make sure we  
are on the same page with our expectations and we are  
putting in the work to be better today than yesterday.
