BE IT RESOLVED by the Centennial Board of Cooperative Educational Services' Board of Directors, in the County of Weld, that the additional amount of \$880 be appropriated into the 2016-2017 Centennial BOCES budget for the Grant Writing project. This budget increase is based on the final allocation received from the Colorado Department of Education and will increase this budget from \$20,190 to \$21,070.

Adopted and signed this ______ day of ______, 2017

CENTENNIAL BOARD OF COOPERATIVE EDUCATIONAL SERVICES

President

Secretary

BE IT RESOLVED by the Centennial Board of Cooperative Educational Services' Board of Directors, in the County of Weld, that the additional amount of \$202,100 be appropriated into the 2016-2017 Centennial BOCES budget for the Out of District Placement project. This budget increase is based on additional students attending the Sierra School from school districts outside of our administrative unit during the school year and will increase this budget from \$631,767 to \$833,867.

| Adopted and signed this | day of | , 2017 |

April 20, 2017 Board notes for the Investment and Financial Reports

The one page investment report (Page A) shows the interest earned for the first nine months of the 2016-17 fiscal year at \$11,491.15. This represents a positive budget variance for the year of \$9,616.15. The March 31, 2017 balances for Centennial BOCES bank and investment accounts are also listed on the report.

The next two reports show the Cash Flow Analysis (Page B) and the Cash Flow Chart (Page C) for the 21 month period of July 1, 2015 – March 31, 2017, which covers twelve months of 2015-16 and the first nine months of 2016-17. The cash flow chart continues to show a similar pattern between 2015-16 and 2016-17.

The two financial reports represent July 2016 – March 2017 year to date. This represents 75.0% of the fiscal year. Page 1 of the two page summary shows the non-grant totals for 2015-17 at 66.1% spent compared to 65.3% spent for 2015-16. Page 2 of the summary shows the grant totals and the combined totals. Grant totals for 2016-17 are at 58.2% spent compared to 59.1% spent for 2015-16. The year-to-date combined totals for the nine months of 2016-17 are at 62.8% spent compared to 62.5% spent for 2015-16. The projected fund balance is noted at the bottom of page 2, including the audited ending Fund Balance for 2015-16.

-

The second report contains the expenses by project and is detailed by the major object groups. The information presented in the 12 page report is the same per project expense amounts as those on the two page summary report.

Beginning with Administration, the first section's totals and percentages are listed on page 2. The Administration expenses for 2016-17 are slightly lower as a percentage compared to 2015-16 (57.8% vs. 64.7%). The primary difference is in Project 101 Administration/Operations which is at 75.0% compared to 84.4% for the previous year.

Technology starts on page 3 and concludes on page 4. Technology as a total is also lower as a percentage compared to last year (81.6% vs. 86.2%). One factor is Project 205 Student Information Services which is running 4% lower through the first nine months due to slightly reduced costs for Infinite Campus products.

Starting on page 5 and finishing on page 7, is the Special Education department. Spending as a percentage of the budget is running slightly higher in 2016-17 at 74.6% vs. 72.7% for 2015-16. One difference is in Project 516 Preschool which is running 7% higher for the current year compared to last year. Many other projects continue to trend close to last year's amounts.

Innovative Education Services begins on page 8 and concludes on page 10. Spending percentages for 2016-17 are slightly higher than 2015-16 at 58.9% vs. 54.4%. One factor is in Project 685 Centennial BOCES High School. With the change in coordination and staffing to CBOCES instead of Aims Community College for 2016-17, the overall costs year-to date for Project 685 are now higher than last year at 56.1% compared to 50.7%.

The final section of the report contains Federal Programs, pages 11 - 12. Expenses as a percentage for 2016-17 are 53.6% vs. 60.8% for 2015-16. As previously noted, Federal Program Title projects typically run lower during the first part of the year as requests for reimbursements begin to be received.

At the bottom of page 12 are grand total amounts -64.5% committed for 2015-16 vs. 65.7% for 2015-16. These percentages are higher then the two page summary report due to the inclusion of encumbrances in the percentage totals. The budget year is 75.0% completed as of March 31.

April 20, 2017 Board Report Business Services/HR and Technology Departments Mr. Terry Buswell

Carl Perkins Reimbursements

As discussed in previous SAC meetings, we are trying to make sure all Perkins funds for 2016-17 are expended. Please continue to submit timely reimbursement requests so we can be as up-to-date as possible with this year's funds. Your cooperation in getting the requests in allows us to maximize the use of the Perkins allocation – we only receive Perkins dollars based on actual expenses incurred. As of March 31, 2017, we have received requests for 55% of the allocation while we have completed 75% of the budget year.

<u>Colorado BOCES Association – Cooperative Purchasing Program</u>

As part of the recent Colorado BOCES Association quarterly meeting, we were given an update on the Cooperative Purchasing Program. This program has grown significantly over the past several years, providing volume discounts as part of the Association of Educational Purchasing Agencies. John Tillman is the Director of Cooperative Purchasing for Colorado BOCES Association and his contact information is included below. It is definitely worth considering this value added option when looking at purchasing products and services.

John Tillman Director of Cooperative Purchase Colorado BOCES Association 3097 Lane 4 North Monte Vista, CO 81144 719-852-2944 or cell 719-588-0013 john.tillman@gojade.org

Annual Budget

Work continues on the Centennial BOCES 2017-18 budget. As I have in the past two months, I have again asked the school districts to update their potential salary and benefits changes for the 2017-18 fiscal year. I will share a copy of the comments from the SAC meeting. The first 2017-18 budget draft was presented at the April SAC meeting. This draft version will include an additional 1% to the base for our licensed staff as well as the 2% step built into the salary schedules. Copies of the proposed licensed 2017-18 Salary Schedules are included in the packet. At the April 20 Board meeting, Centennial BOCES will present a draft of the 2017-18 budget. The May 4 SAC meeting will include a final review of the 2017-18 budget, including all confirmed updates. After final revisions have been completed, the proposed 2017-18 budget will be submitted for approval to the Board as part of the May 18 Board meeting.

2016-17 Salary Survey Results

As part of our annual review of salary and benefits, we compiled a salary survey of our member school districts. The spreadsheet includes other area districts that have a special education administrative unit. This document was shared at the March 2 SAC meeting. A copy of the salary survey is part of the Board packet and I will briefly review the results at the Board meeting.

School Emergency Management Grant Completed

FYI – The School Emergency Management Grant has been completed as of March 31, 2017. Originally scheduled to end on March 31, 2016, we were able to utilize this grant for an additional year which provided many additional opportunities for training throughout the state.

Consideration of Different Health/Dental Insurance Plan

We received information from a different insurance program earlier this month and are considering the merits of possibly changing from CEBT to Advanced Benefits Advisors. Advanced Benefits

April 20, 2017 Board Report Business Services/HR and Technology Departments Mr. Terry Buswell

Advisors has been working with school districts and BOCES throughout the state providing a different approach to insurance coverage. I will briefly review the proposal received as part of my SAC report.

Wells Fargo Lease Completed

On February 16, Centennial BOCES made the final payment to Wells Fargo for the IFAS Software lease. We have received a letter of confirmation that the contract has been paid in full.

April 20, 2017 Board Report Federal Programs Department Dr. Mary Ellen Good

<u> Title I Part C ~ Migrant Education Program (MEP)</u>

Our 2016-17 Northern Region MEP grant supports 10 school districts and two other BOCES (EC and NE). Our current regional grant award is \$2,178,090. The Northern Region MEP, administered by CBOCES, serves approximately 50% of Colorado's migrant students. Planning for future years includes providing more supplemental instructional support for migrant students during the summer months, versus during the regular school year. This is due in part to the fact that future MEP funding will be awarded based on head count *plus* the number of MEP students served during the summer months. CDE has asked CBOCES to develop and administer a new statewide "backup" database for migrant students as Colorado transitions to a different multi-state primary database. CDE will cover the costs for administration and licensing for the CBOCES backup MEP database.

McKinney-Vento Act (Homeless Education)

The McKinney-Vento Act is the only part of ESSA that is currently active (in the 2016-17 SY). The other Parts (Title I, II, III and IV) will be active effective July 1, 2017. Trainings, consultation and support for McKinney Vento Homeless Education Liaisons are available for the 53 school districts included in our three-year grant. Please remind your district Homeless Education Liaisons to contact Marc Forney (<u>mfortney@cboces.org</u>) for consultation and support.

<u>Titles I, II, and III (Consolidated Federal Grants)</u>

Our 2016-17 Consolidated Federal Grants award totals \$1,013,902 and includes 12 school districts.

The current draft of the Consolidated Application for next year includes significant changes in the required narrative elements, relative to ESSA. Through the Committee of Practitioners, Mary Ellen and representatives from other BOCES have raised concerns about the number of questions proposed for the 2017-18 Consolidated Application, and the burden it would create for small rural school districts. A meeting took place March 17 with Dale McCall, Michelle Murphy (Rural Alliance), CoP-BOCES representatives and CDE staff. An agreement was reached to revise the questions and reduce the required narrative responses. Mary Ellen continues to work with CDE staff to find a balance between what is actually required and what is "nice to know." Districts will be able to use their UIPs to meet the comprehensive needs assessment mandate.

Program Update

- June Educator Training (JET) registration update (possible TabLab training)
- CBOCES High School Stakeholders' meeting held Friday, April 14 at 8:30AM at CBOCES Office
- Planning for CBOCES High School graduation continues as follows:

 Greeley Campus Greeley Union Colony Civic Center on May 15, 2017 at 7:00 PM
 Longmont Campus Memorial Building in Longmont on May 9, 2017 at 5:30 PM
- IConnect High School graduation will he held May 26, 2017 at 5:30PM site TBD
- Continuing to enroll new students into CBOCES High School to increase student count for next year
- Looking at new program delivery option for 2017-2018 Alternative Teacher Licensure Program
 - Possible two track system
 - o Changing calendar to spread classes over length of school year
 - Hiring new coaches to replace resignations

Upcoming Trainings and Grants

- Assisting districts with participant costs associated with Blended Learning opportunities and Curriculum Audit training offered during JET
- Planning "JUMP START" PD for first week of August 2017 (PARA Trainings, CPR/First Aid, Mentor Teacher Training, Parenting for Academic Success, Classroom Management & Substitute Teacher Training)
- Working on SAT training for fall of 2017
- Finalizing HB 1345 Grant application
- Finalizing Gifted Education Universal Screener and Qualified Personnel Grant
- Working with eNet Colorado on grant possibility for distance learning, housed at IConnect High School

Innovative Education Services is dedicated to supporting districts and opening opportunities for collaboration leading to educational change.

INNOVATIVE EDUCATION SERVICES HOMEPAGE: http://www.cbocesinnovative.org

April 20, 2017 Board Report Special Education Department Mrs. Jocelyn Walters

Administrative Unit Determination—See Attached

The final AU determinations have been shared. Centennial BOCES was in "Meets Requirements." This is the first year that performance indicators have been included in the AU determinations. Twenty-five percent (25%) of the determination is based on student performance outcomes. The percentage will increase in the future to fifty percent (50%) performance indicators and fifty percent (50%) compliance indicators. District level data has been extrapolated and will be shared with each superintendent individually at a scheduled meeting.

Maintenance of Effort

Centennial BOCES was notified on April 10, 2017 that the AU maintained the level of allocations for students with disabilities during the 2015-2016 school year.

Breshnahan-Halstead Technical Assistance Grant

Centennial BOCES received a technical assistance grant this school year that included support towards improving inclusive practices across the administrative unit. Dr. Todd Sundeen from UNC has provided assistance in professional development for teachers and principals this school year along with providing research and evidence-based practices to the special education leadership team. A summary of activities and current outcomes from the partnership along with ideas of next steps to continue the work next school year was presented to superintendents to inform them of the ongoing work.

Staffing

An Employee Intent for future employment was gathered to aid in planning for open positions next school year. Along with that information, staff members were asked how the impact of the Differentiated Pay related to their decisions in staying with CBOCES for a subsequent year. Fifty percent (50%) of employees indicated that the differentiated pay played a significant factor in deciding to return to CBOCES. A third (33%) indicated that it did not play a significant factor in their decision to return and sixteen percent (16%) of staff did not answer the question.

To date, we have filled two school psychology positions, one SLP position, and one OT position for next school year. We currently need to fill another school psychology position.

Sierra School—Future Programming Discussion

We have received an amendment to our current contract with Catapult Learning for the 2017-2018 school year. Overall, the terms are agreeable and maintain current practices and expectations we are working under. We are negotiating a component related to ESY services.

A program evaluation was conducted March 28, 2017 for the autism program of the Sierra School through a request made to the Colorado Department of Education. Observations, interviews, and IEP file reviews were completed. The program received rave reviews for data analysis, behavioral supports, and family involvement. Areas to address are IEP development, functional communication, and social skill development.

Catapult Learning is pursuing the ability to become a CDE approved facility school for future programming. Terry Buswell shared the going rate for rent for the 2040 building based on current prices in the area. They could be approved as early as August 9, 2017. This would relieve our administrative unit responsibilities and duties. Students would retain their slots. We would pay for the approved excess cost rate per student.

ESSA and Child Welfare Rule Implications for District Work

With the new rules of ESSA and Child Welfare passing a variety of new expectations are in place for the Department of Human Services and also school districts. Overall, the spirit of the updated laws is to ensure minimal disruptions to children in their educational environment. Safety and stability are the two primary considerations when children are moved within the foster care system. Training is currently being undergone in the northern region of the state. Here are some items districts should be aware of:

- If a child moves to a foster home, even outside of the current school district, preference will be given to remain enrolled in the original school of origin.
- If a child must enroll in a different school, the child can enroll immediately without transcripts.
- If a child is in foster care, all sport or class fees need to be waived. The child is immediately eligible for FRL.
- Best Interest Determination Meetings—these meetings will take place when a child is placed in a foster home. Meetings will be hosted by school of origin. The child remains in the school of origin until determination of school placement is made.
- Be sure to have clear written procedures for transportation to maintain the school of origin.

Supreme Court Case--FAPE

Current Considerations for our work:

- Students with disabilities have a right to make "adequate" educational progress
- Services designed to make progress with general education curriculum
- Goals need to be significantly updated each year
- If student is not progressing, schools must create a change in programming that is reasonably calculated to enable the child to make progress
- Develop and implement behavioral supports to improve academic progress
- Standard is markedly more ambitious than "de minimis" test

We will seek additional feedback and clarity to this ruling and provide updated training to all staff at next year's area wide.
