

Dear Parents and Students,

Administration told “specials” not to assess grades during the closure.

We were to use the following grading system:

Grades will be as followed for k-6

K- NI (not introduced)  
1-2 NA (not assessed)  
3-6 leave blank!

Just wanted you to know so you understand how this worked even if you were one of the few that did turn in some of your technology assignments.

Stay safe and have a great summer. I do miss all of you!

Mrs. Kellison
